The Indian Institute of Teacher Education was established vide Gujarat Act No.-8, 2010. The main objectives of the IITE are :

- (1) To evolve and implement a new program of teachers' education that aims at integral development of teachers.
- (2) To train prospective teachers based on global curriculum with ideas gleaned from the fusion of the intellectual traditions of India and the West.
- (3) To equip teachers with the competencies requisite for dealing with the 21st century issues of the choices and challenges of students.
- (4) To impart teacher training which enables the prospective teachers to see the world in the new light of universal human values.
- (5) To promote the indigenous tradition of teacher-student relationship (Guru-Shishyaparampara) in various fields of humanities, arts, crafts, sciences, technologies and yoga (psychological and physical education).
- (6) To publish and disseminate results of advanced research relating to teachers' education for purposes of advancement of capacities to teach and learn among professional teachers as also among parents, social educators and social workers.
- (7) To promote national and international cooperation in teachers' education as also in the development of teaching-learning material through online programs, documentaries, musical and dramatic programs and films.
- (8) To undertake, conduct and promote any program that will enhance the highest aims of pedagogy and synthesis of knowledge-systems and internationalism.
- (9) To introduce and nurture innovations in the education system so as to reflect India's spiritual knowledge, robust intellectuality and inexhaustible creativity.

IITE has been envisioned to introduce and initiate future teachers into the process of transformation into evolved beings who can lead and guide the children of tomorrow towards the knowledge century in the true sense. With holistic training components, value-education and

skill-orientation as the mainstay of the teacher education, IITE has a vision of empowering the nation and the world with teachers who can take the onus of shaping the next generation of students with a sense of responsibility for the nation and an orientation for internationalism.
