Rs. 1,74,050/- for the same. The committee recommended to present the matter before Executive Council for information and ratification. (Annexure-4)

Resolution - 11 The council ratified the same.

Agenda - 12 Ms. Prakruti Joshi (PRN: 210040670062) was a student of the Center of Education, Gandhinagar for M.A. Education program. She was declared as a passing candidate, issued the mark sheets, and awarded a degree in the convocation of 2023.

It came to notice that she appeared as a regular student in the May 2021 examination and was unable to clear two subjects. Further, she filled out the form for one subject only to appear in the November 2022 ATKT Examination. The same form was approved by the Center of Education for further process. Further, as per the information provided by the HOD Diploma & Degree, she had done the required work for the Subject Code MAED 1050. The Center had also conducted the presentation of the student on 01- 08-2022 as in this subject only internal assessment was there but not uploaded the marks in the ERP System.

Here technically if the student didn't select the concerned subject in the exam form of ERP, the Head of Department will not get the option for uploading the marks in the system.

The matter appears as that

(1) the candidate had completed all the exam formalities except to fill the form in ERP at that time,

(2) the ERP had not shown any flag that the candidate was with internal ATKT before declaring her as a passing candidate,

(3) the ERP had not given any notice before issuing the passing mark sheet and awarding the degree in convocation.

At the outset, the agenda is submitted for the decision of the following points:

(1) to consider the marks of subject MAED1050?

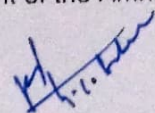

(2) to re-declare the result of her semester-1 ATKT, Semester 3 and 4 after obtaining her original mark sheets

(3) to reissue or cancel the degree certificate after obtaining her original degree certificate. (Annexure-5)

Resolution - 12 The council discussed and ratified the decision made by the Academic Council dated 16/12/2023 vide resolution no. 9, that internal marks shall be uploaded to ERP and accordingly all concerned mark-sheets shall be changed, if there is a change in CGPA/SGPA printed in the Degree certificate then the due degree certificate shall be awarded as per the provision. Further, in case of change, the affidavit shall be obtained from the candidate that she will not use/show copies of the mark-sheet and degree certificate anywhere for any case.

Agenda - 13 It was in consideration to make a provision of Amritkal Scholarship for bright students of various programmes at Centre of Education, IITE. There may be provision to identify and facilitate 25 students who have highest SGPA in a particular semester by waiving the semester tuitions fees under this scholarship. The Amritkal Scholarship will be for a period of five years from the date of approval. It is recommended by Academic Council dated 16.12.2023 and further submitted for deliberation and approval. (Annexure-5)

Resolution - 13 The council took note of resolution no. 12 of the Academic Council dated 16/12/2023 and appreciated the effort of Amritkal Scholarship at the era of the announcement of Viksit Bharat @ 2047 and ratified the same. The rules shall be prepared in detail before the commencement of the Amritkal Scholarship.

- 3 A minimum of ten research publications in the peer-reviewed or UGC-listed journals out of which three research papers should have been published during the assessment period.
- 4 Evidence of having successfully guided doctoral candidate.
Documentary evidence to prove that the doctoral candidates registered under the said Associate Professor (Level 13A) have been awarded Ph.D. degrees.
The documentary evidence shall contain (i) a guideship letter as per UGC norms (ii) the registration certificate of the students under the said Associate Professor and (iii) consecutively all documents up to PhD degree awarded as the case may be.
- 5 A minimum of required research scores as per Appendix II, Table 2.

A The requirements under Sr. 1 to 3 and 5 are found suitable.

B For Sr. No. 4, the expert committee report of UGC dated 24/10/2015 has been taken note of. It is clearly mentioned about Rai University that "University should not register Ph.D. students in the absence of qualified faculty and supervisors, Adequate environment and facilities be created for carrying out research in different disciplines".

In light of the above UGC report, Dr. Deepkumar Trivedi has to submit the validity of his supervisor recognition and awarded Ph.D. degrees from the UGC.

Dr. Deepkumar Trivedi should produce evidence in the form of UGC withdrawing this condition and permitting Rai University to restart the Ph.D. program in the absence of which the Ph.D. degrees said to have been awarded cannot be accepted as a valid degree.

Other issues of recognition may be asked later after the submission of queries raised in Part B as follows:

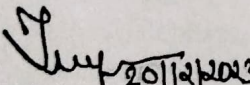

(1) The documents in chronological order from the beginning of the application for guide to final notification of degree awarded viz. Application, recognition, RAC/RDC details, viva, etc.

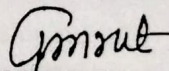

(2) NOC from his then-parent institute for guideship, where he was working at that time.

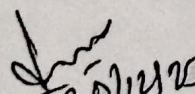

(3) Documents regarding his declaration of academic liability after joining IITE viz. Candidates registered under him/ any progress etc.

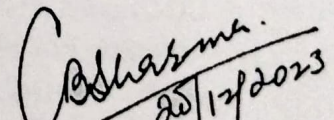

(4) The UGC regulation under which he was given recognition for his Ph.D. guideship by Rai University.

In the given circumstances the committee did not find him eligible for the interview before the Selection Committee for CAS. His candidature may be reconsidered subject to fulfillment of the above-mentioned remedies.
