## VENUE

Indian Institute of Teacher Education  
Ramkrushna Paramhans Vidya Sankul, Kh-Road,  
Nr. Mahatma Mandir, Sector-15, Gandhinagar-382016

The Indian Institute of Teacher Education, Gujarat is the institution with the difference because it has been established for a noble cause of education. IITE has 5 centers Center of Education, Center of Research, Center of Training, Center of Extension, and Center of Special Education. Center of Education offers integrated teacher education programmes like B.Sc.-B.Ed. , B.A.-B.Ed., M.Sc.-M.A./M.Ed. and B.Ed.-M.Ed. The Govt. of Gujarat has mandated the institution to be the institution for developing school educators, teacher educators and faculties of allied field. Hon'ble Prime Minister and then Chief Minister of Gujarat, Shri Narendrabhai Modi has extended the scope of widening the horizons of teacher education because there is a dearth of teachers all over the world. Shri Modi's

## ABOUT CENTER OF RESEARCH

The Center of Research (CoR) stands as one of the backbone of the Indian Institute of Teacher Education (IITE) and is dedicated to nurturing young and aspiring minds, encouraging them to delve into the realm of research within the field of education, with a specific emphasis on teacher education. To facilitate and propagate research in the sphere of education, particularly in the context of teacher training, there is a provision of establishing Center of Research, namely CoR. As per the IITE Act, 2010 under section 6 (4) (i). This Center is comprised of five Research Councils, each concentrating on specific focal points of research. The foundational focus of the Center of Research at IITE revolves around key research areas, including:

- Exploring the Evolving Roles of Modern Educators: This entails investigating the changing roles and responsibilities of contemporary teachers.
- Mastering the Art and Science of Nurturing Gifted Students: Delving into effective methods for nurturing and developing gifted children.
- Understanding the Art and Science of Caring for the Vulnerable: Addressing the unique challenges in caring for individuals who face psychological and physical challenges.
- Exploring Special Issues in Childhood, Adolescence, and Youth: Focusing on the distinctive challenges and needs of these critical developmental stages.
- Examining the Philosophy and Psychology of Education within the Context of Indian Pedagogy and Contemporary Developments: Delving into the philosophical and psychological underpinnings of education in the context of Indian pedagogy and modern developments.

## ABOUT THE SEMINAR

- Education stands as the bedrock of a nation's advancement and progress. The National Education Policy 2020, introduced by the Government of India, emerges as a visionary blueprint designed to revolutionize the education sector and empower learners to meet the demands of the 21<sup>st</sup> century. At the core of this transformative policy lies the School Education level, which plays a pivotal role in fortifying the foundation of a robust educational system. This seminar delves into the transformative potential of NEP 2020 and its application in School Education, with a focus on unravelling key aspects, challenges, and opportunities. The aim is to foster an all-encompassing, inventive, and empowering educational ecosystem for our budding learners.
- By embracing the principles embedded in NEP 2020, India can nurture a brighter future by Utilizing the potential of its young minds and constructing a well-rounded society equipped to confront the challenges of the 21st century. Against this backdrop, engaging practitioners and experts from various states in comprehensive discussions holds promise in assessing opportunities and priorities to effectively implement the directives of NEP 2020. The primary objective of this National Seminar is to provide a common platform for practicing educators, experts, and scholars to engage in research-based discourse, exchanges, and dialogues pertaining to the successful implementation of NEP 2020, particularly in the context of School Education. Throughout the seminar, participants will share triumphant narratives, evidence-based best practices, and address context-sensitive obstacles to uphold the vision of NEP, all while striving to elevate holistic student development at the school level.

## OBJECTIVES OF THE SEMINAR

- To envision innovative possibilities and tackle challenges intertwined with NEP-2020.
- To formulate effective strategies to maximize the impact of NEP-2020 on educational outcomes at school level.
- To facilitate a dynamic forum where educators, researchers, and experts can exchange insights and concepts concerning the latest trends and methodologies in the realm of School Education.
- To spotlight pioneering approaches and exemplary practices within the School Education System.
- To scrutinize the role of School Education in nurturing a sustainable future.
- To cultivate collaboration and partnerships among educators, researchers, policymakers, industry stakeholders, and communities to drive the advancement of new paradigms in School Education.
