### ❖ **Introduction:**

### ❖ **Executive Summary**

#### **Background:**

According to education department resolution dated 02.05.2018, the faculty development through IITE Gandhinagar has been approved to conduct training programs at IITE. Under this agreement IITE has recently organized one-week FDP for the government engineering faculties across whole Gujarat successfully. The batch of Total 50 faculties was trained by all knowledgeable experts. To empower the value-based training, IITE held this FDP excellently on the floor. The FDP was about:

<b>Major Topics of Discussion during Sessions</b>				
<i>Classroom Experience</i>	<i>Innovation</i>	<i>ICT In Class</i>	<i>Startup</i>	<i>Curriculum Development</i>
<i>Innovation in Teaching</i>	<i>Examination, Evaluation and Grading</i>	<i>Critical Thinking</i>	<i>Problem Solving</i>	<i>Teaching Practice</i>

### ***Rationale***

FDP is for this reason that a curriculum of this FDP to upgrade the skills of class teaching has to be developed. This will in turn contribute significantly to the improvement of value-based education in the country. The training in Leadership is specifically geared to supporting the technical aspects of teaching and learning to address challenges in implementation.

### ***Objectives***

At the end of training participants should be able to: maintain appropriate professional boundaries, personal limits, ethics, and appropriately manage conflicts of interest. Demonstrate effective leadership qualities and teaching skills in improving educational aspects with teaching and learning approaches.

# Faculty Development Program

For

**Faculties of Department of Technical Education**

Organized by

**Center Of Training**

**Indian Institute of Teacher Education**

Date: 14<sup>th</sup> Novemeber 2019 to 20<sup>th</sup> November 2019

According to education department resolution dated 02.05.2018, the faculty development through IITE Gandhinagar has been approved to conduct training programs at IITE. Under this agreement IITE has recently organized one-week FDP for the government engineering faculties across whole Gujarat successfully. The batch of Total 50 faculties was trained by all knowledgeable experts. To empower the value-based training, IITE held this FDP excellently on the floor.

The FDP aims for Holistic Development of Engineering Faculties. We try to include various topics like Classroom Teaching Skills, Neuro Science – a new perspective of understanding the learner, Research Pedagogy, Personality Development, Communication, Microteaching Skills, Creativity & Innovation, and Startup Policies. FDP also include hands on experiences of Craft & Creativity, Theatre, Rifle shooting, Yog & Sports. These activities helps to develop various skills like team work, creativity, critical thinking and communication. It also develops participant's confidence. To develop the leadership among the participants and give them exposure to adventure we plan POLO forest trekking camp for a day. That rejuvenates the participants and build a good rapport among them.

FDP started on 14<sup>th</sup> November with registration process. The inaugural ceremony of FDP was held in P C Vaidya Auditorium of IITE on 14<sup>th</sup> November.

For

**Faculties of Department of Technical Education**

Organized by

**Center Of Training**

**Indian Institute of Teacher Education**

Date: 27<sup>th</sup> December 2019 to 2<sup>nd</sup> January 2020

According to education department resolution dated 02.05.2018, the faculty development through IITE Gandhinagar has been approved to conduct training programs at IITE. Under this agreement IITE has recently organized one-week FDP for the government engineering faculties across whole Gujarat successfully. The batch of Total 37 faculties was trained by all knowledgeable experts. To empower the value-based training, IITE held this FDP excellently on the floor.

The FDP aims for Holistic Development of Engineering Faculties. We try to include various topics like Classroom Teaching Skills, Neuro Science – a new perspective of understanding the learner, Research Pedagogy, Personality Development, Communication, Microteaching Skills, Creativity & Innovation, and Startup Policies. FDP also include hands on experiences of Craft & Creativity, Theatre, Rifle shooting, Yog & Sports. These activities helps to develop various skills like team work, creativity, critical thinking and communication. It also develops participant's confidence. To develop the leadership among the participants and give them exposure to adventure we plan POLO forest trekking camp for a day. That rejuvenates the participants and build a good rapport among them.

FDP started on 27<sup>th</sup> December 2019 with registration process. The inaugural ceremony of FDP was held in P C Vaidya Auditorium of IITE on 27<sup>th</sup> December.

# Faculty Development Program

For

**Faculties of Department of Technical Education**

Organized by

**Center Of Training**

**Indian Institute of Teacher Education**

Date: 17<sup>th</sup> January 2020 to 23<sup>rd</sup> January 2020

According to education department resolution dated 02.05.2018, the faculty development through IITE Gandhinagar has been approved to conduct training programs at IITE. Under this agreement IITE has recently organized one-week FDP for the government engineering faculties across whole Gujarat successfully. The batch of Total 37 faculties was trained by all knowledgeable experts. To empower the value-based training, IITE held this FDP excellently on the floor.

The FDP aims for Holistic Development of Engineering Faculties. We try to include various topics like Classroom Teaching Skills, Neuro Science – a new perspective of understanding the learner, Research Pedagogy, Personality Development, Communication, Microteaching Skills, Creativity & Innovation, and Startup Policies. FDP also include hands on experiences of Craft & Creativity, Theatre, Rifle shooting, Yog & Sports. These activities helps to develop various skills like team work, creativity, critical thinking and communication. It also develops participant's confidence. To develop the leadership among the participants and give them exposure to adventure we plan POLO forest trekking camp for a day. That rejuvenates the participants and build a good rapport among them.

FDP started on 17<sup>th</sup> January 2020 with registration process. The inaugural ceremony of FDP was held in P C Vaidya Auditorium of IITE on 17<sup>th</sup> January in presence of Vice Chancellor of IITE Dr. Harshad Patel, Director
