THE EMBLEM

The emblem of IITE, is the combination of following:-

Rising sun.

An open book.

A teacher writing on a green board.

न हि ज्ञानेन सदृशं पवित्रमिह विद्यते

[“ Nothing is more sacred than the Education” (knowledge)]

The emblem has an open book from which the sun is rising in the centre, which depicts the continuous rise of knowledge and how it brightens the world from all the evils prevailing around. Further, the logo shows a teacher writing on a green-board, which shows the role of teacher in transmission of knowledge to the world and is symbolized as the sun in this human world. The person, who only can lead anyone from the darkness to the brightness of life. Teachers only can teach the true essence of life with the use of simple tools like board and can bring wonders to this world. The university emblem ultimately symbolizes an endless flow of rising knowledge.

Vision and Objectives of the University

The Indian Institute of Teacher Education(IITE) has been established “to promote teachers’ development of integral personality; wide vision of nationalism and internationalism; and to fulfil their role as exemplars, as friends, philosophers, and guides; as scientists, psychologists, artists and technologists; and above all as ideal communicators who can spread uplifting influence by the processes of awakening, inspiration and contagious enthusiasm; also to promote new trends of syntheses of the East and West and agents of change from old to the new”

- The Indian Institute of Teacher Education, Gujarat Act, 2010

Vision

To nurture teachers of tomorrow with the transformative knowledge of Indian tradition and usher in a new era of teacher education, focusing upon the integral development of teachers.

Mission

To provide integrated courses in teacher education, marked and defined by value-education, global outlook, and interdisciplinary.

“Without continual growth and progress, such words as improvement, achievement, and success have no meaning”. Benjamin Franklin

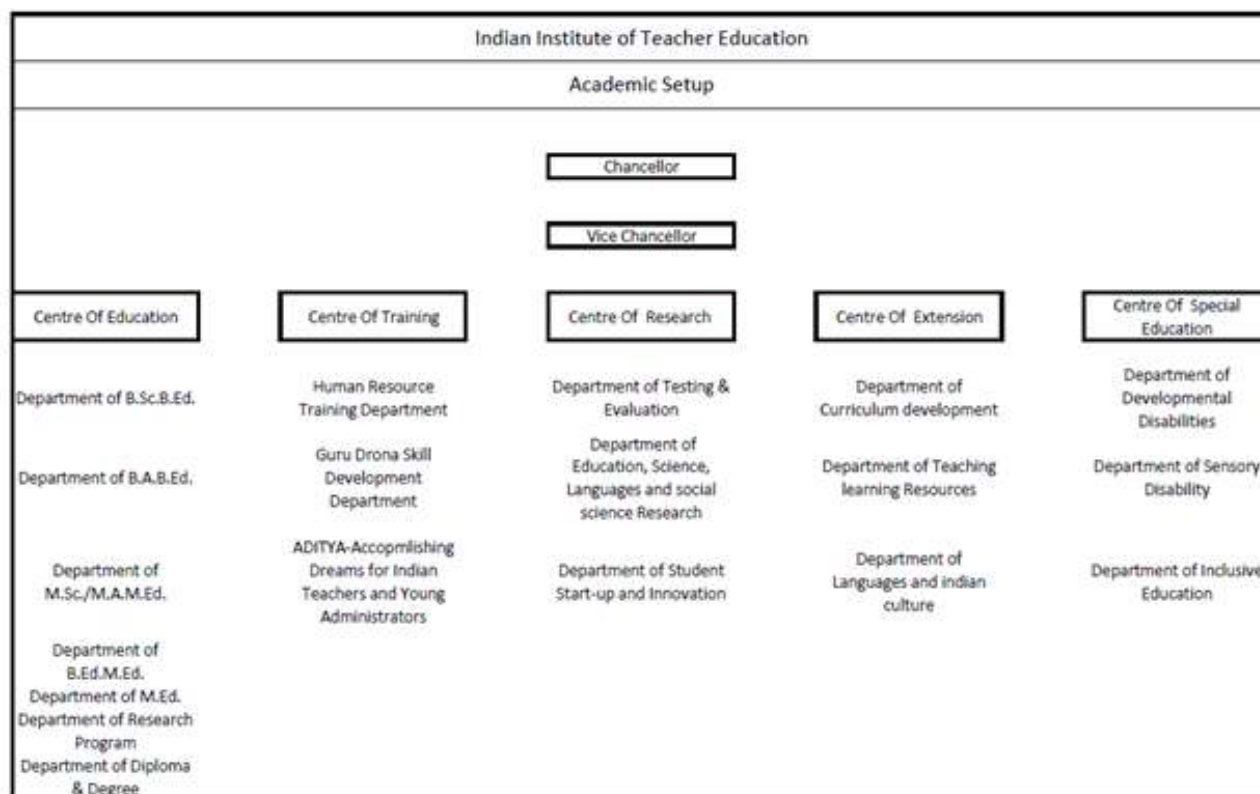

Established by the Government of Gujarat, through Gujarat Act No. 8 of 2010, Indian Institute of Teacher Education believes that its objectives are contributory in the propagation and progression of knowledge. The University is committed towards development of integrated courses in the field of teacher education. To educate and train a human resource for the country’s development, to initiate appropriate measures for promoting innovation in teaching and learning, and for the improvement of the social welfare of the teacher, especially their intellectual, academic and cultural development.

Objectives

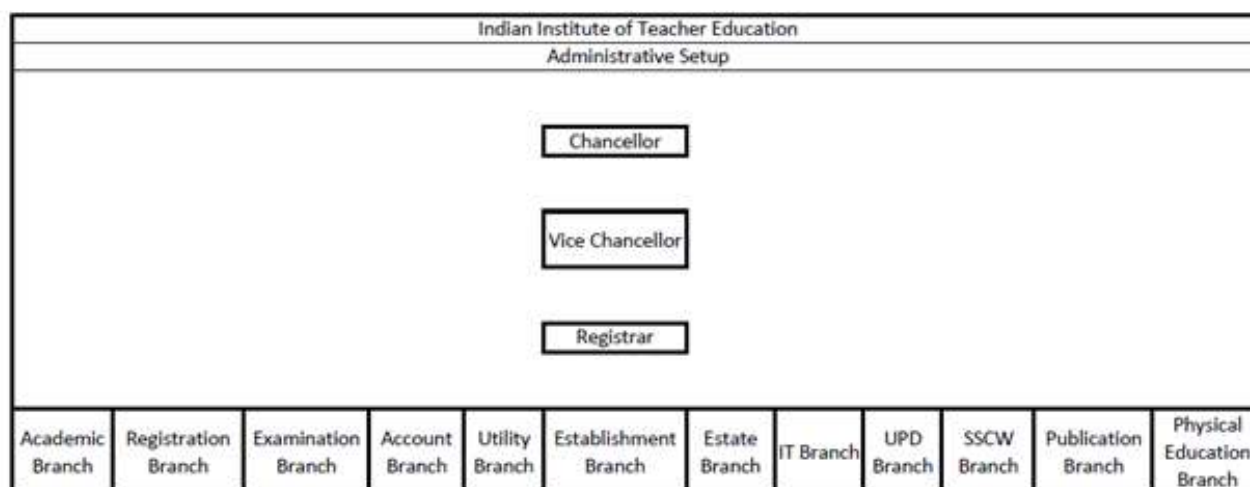

- ◇ To evolve and implement new programs of teacher education that would provide education and training to prospective teachers that aim at development of new integral development of teachers.
- ◇ To train prospective teachers based on globally benchmarked curriculum with ideas gleaned from the fusion of the intellectual traditions of India and the West.
- ◇ To equip teachers with the competencies requisite for dealing with the 21st century issues of the choices and challenges of students.
- ◇ To impart teacher training which enables the prospective teachers to see the obtaining world in the new light of universal human values.
- ◇ To promote the indigenous tradition of teacher-student relationship (Guru-Shishya parampara) in various fields of humanities, arts, crafts, sciences, technologies and yoga (psychological and physical education).
- ◇ To publish and disseminate results of advanced research relating to teachers’ education for purposes of advancement of capacities to teach and learn among professional teachers as among parents, social educators and social workers.
- ◇ To promote national and international cooperation in teachers’ education as also in the development of teaching learning material through online programs, documentaries, musical and dramatic programs and films.

- ◇ To undertake, conduct and promote any program that will enhance the highest aims of pedagogy and synthesis of knowledge-systems and internationalism.
- ◇ To foster in the University highest purposes of education of the body, life and mind as also of the human spirit in its integrity.
- ◇ To introduce and nurture innovations in the education system so as to reflect India's spiritual knowledge, robust intellectuality and inexhaustible creativity.
- ◇ To nurture teachers of tomorrow with the transformative knowledge of Indian tradition and usher in a new era of teacher education, focusing upon the integral development of teachers.

Board of Studies at IITE

As we are passing through great transition in every field so does in the field of education large renovation is taking place. To meet the need of new age learners we as a teacher education institute need to bring change in the teacher- education curriculum so the old does not become obsolete and new keeps on emerging.

A curriculum as an instrument of & certain goals to be achieved has also an important place also, a syllabus as a great utility in presenting to the student the various elements involved in what he is going to learn.

Members of all the 13 boards constituting head of department, teachers of IITE nominated by Vice chancellor and various prominent expert professors from other state universities are sharing their specialized views to strengthen the syllabi and curriculum of B.Sc.B.Ed. and B.A.B.Ed. four year integrated programme and gave suggestions for improvement of various UG and PG syllabus.

ACADEMIC CENTRES

The Centres:

Revamping and restructuring of the Indian Institute of Teacher Education has been the mantra of the academic year 2020-2021 in covid pandemic situation. As a part of the smooth functioning, five centres were active for student grooming and guidance in the pandemic era. namely, - the Centre of Education, the Centre of Training, the Centre of Research, the Centre of Extension and the Centre of Special Education at IITE.

1. Centre of Education:

The Centre of Education being the core centre was established with the aim to provide new structures to programs of Teacher's education, by combining subjects of humanities, sciences, arts, fine arts and technology along with the philosophy and psychology of education, and pedagogy. The aim is to create teachers who have the highest linguistic and professional abilities to cater to the needs of the new techno savvy generation, and to adjust and succeed anywhere in the world.

The school education requires professionally trained teachers to excel the teaching and learning process to be effective. Teacher education needs to be designed to meet the national requirement looking at growth and perspectives at global platforms. IITE aims to achieve the universal lacuna of effective, efficient and excellent school educators.

The Centre also promotes the development of academic relationships with primary and secondary schools which meet the needs and standards of the university, and also in return empower them to reap the benefits of the results of the work of the university.

Undergraduate Programs

B.A.-B.Ed. Program (4 years)

Department of English, Languages & Social Sciences Education

The B.A. B.Ed. program is structured to cater to the needs of the Senior Primary and Secondary Schools where the subjects are general in nature and the students have to learn basic and fundamental concepts in the fields of Languages and Social Sciences. So the core element of the course is based on primary concerns of teacher education and subjects within. Language groups and social science groups are a part of their curriculum. The B.A. B.Ed. Program offers following subjects as major, along with core reference to Education discipline:

- English
- Gujarati
- Hindi
- Sanskrit
- History
- Political Science
- Geography
- Economics

The subjects offered here have a versatile choice into languages (04) and social sciences (04). For the first time IITE has added a number of subjects, other than English to its B.A. B.Ed. program to increase the diversity in choice and specialization for students.

B.Sc. B. Ed Program (4 years)

The B.Sc.B.Ed. the course is also structured to cater to the needs of Senior Primary and Secondary Schools where the subjects are general in nature and students have to learn basic and fundamental concepts in the fields of Mathematics, Chemistry, Physics and Life Sciences. So the core element of the course is based on primary concerns of teacher education and subjects within. As a part of the program students are offered skill courses to enhance their teaching skills.

The following departments are under this program:

- a) **Department of Life Sciences Education – Botany & Zoology**
- b) **Department of Physics Education**
- c) **Department of Chemistry Education**
- d) **Department of Mathematics Education**

B. Ed. Program (2 years)

This course is structured to cater to the needs of the Upper Primary and Secondary Schools where the students have to learn basic pedagogies of Mathematics, Sciences, Social Sciences and respective Languages. So, the core elements of the course are based on primary concerns of teacher education and pedagogies within NCTE Rules and Regulations. Post graduate Programs

M.A. M. Ed / M.Sc. M.Ed. Program (3 years)

There is a dearth of well qualified teachers in our country. And it is also the dream of Shri Narendra Modi, the brainchild behind the foundation of IITE, that India should export well-trained and well-qualified teachers. As a part of the grand plan, all processes of teacher recruitment, training, motivation, incentives, retention and feedback therefore have to be planned on a large scale. Further the ultimate goal of teacher development should be to ensure that optimal learning takes place in the classrooms. With this noble objective we have launched the M.A. M.Ed. and M.Sc. M.Ed. Integrated program.

M. Ed. Program (2 years)

This course is structured to cater not only to the needs of the Upper Primary and Secondary Schools, where the students have to learn basic pedagogies of Mathematics, Science, Social Sciences and respective Languages, but also prepare future educators who have a research bent of mind, to experiment and evolve new techniques of enhancing the teaching – learning process.

EPC (Enhancing Professional Capabilities)

The Indian Institute of Teacher Education also offers various PG Diploma and Certificate courses for enhancing capabilities of pre-service and in-service teachers.

2. Centre of Training:

The academic year 2019-20 saw the blooming of COT into a fully functional centre offering a variety of certificate and diploma courses in Education. The three major departments of COT are formed with the vision to emerge as a learning environment and capacity building centre, where university faculty, staff, students, pre-service and in-service teachers, parents and community collaborate for advancement in academic, professional and parenting skills' development and empowerment. The departments are -

Human Resource Training Department [HRTD]

Centre of Training provides training programs to related stakeholders in the Education sector, be it private or government. We offer customized/demand based Faculty Development Programs, short-term training programs for the stakeholders involved in Higher Education, School Education and Community system through comprehensive training modules catering to cognitive, affective and psychomotor domains. These stakeholders include students, pre-service and in-service school teachers, supervisors, vice-principals, college faculty, principals, administrative staff and parents as a community. We also offer special in-house training in the school and colleges too, like:

Faculty Development Programs for Schools and College Teachers (FDPs)

Educators Executive Programs (EEPs)

Professional Development Workshops for Administrative Staff of Schools and Colleges (PDWs for Support Staff)

Counselling Parents Community Workshops (CPCW)

Students Coaching Workshops (SCWs)

Guru Drona Skill Development Department [GDSDD]

The Department is offering following skill courses at present to all IITEians: ICT: Information and Communication Technology, DIPTI: Development of Integral Personality through Innovation, Dance: Kathak & Bharatanatyam (BN), Drama, Painting, 3D Printing (3DP), Rifle Shooting (RS), Music: Vocal & Instrumental (Singing), Taekwondo, Malkham (MK).

The Centre of Training also offers customized/demand based one to three days' skill development workshops for the stakeholders

involved in Higher Education, School Education and Community systems.

Placement Department

ADITYA (Accomplishing Dreams for Indian Teachers and Yearning Administrators)

COT has developed a WEB Portal ADITYA, to act as a bridge between the human resource requirement of schools and teachers, wherein placements are conducted from local to global.

The Centre provides training and placements of pre-service and in-service teachers.

COT also fulfils the requirement of pre-service teachers (Fresh B.Ed. Degree holders), by offering certificate courses in professional training of teachers from primary to higher secondary levels and gives them placements in well-known schools.

Placement to In-service teachers is provided with the motto of their career advancement and improved job opportunities.

COT is also active in providing placements internationally.

Placement Statistics @ IITE

3 Job Fairs have been organized till date in which recruiters from local, regional and abroad schools remain present. 170 students have been benefited by placements in more than 20 local and regional schools and abroad.

3. Centre of Research:

Centre of Research is the backbone of IITE as it is committed to supporting young and aspiring minds to pursue research in the field of education and especially in teacher education. Centre of Research focuses on the research in new roles of contemporary teachers, art and science of nurturing gifted children, art and science of care of the weak and of those who are psychologically and physically challenged, special problems of childhood, adolescence and youth, philosophy and psychology of education in the light of Indian pedagogy and contemporary development.

The Centre of Research aims to introduce and nurture innovations in the education system. It aims to study and derive lessons from the ongoing experiments in the education field and foster all the innovative work and promote the same for larger expansion and effective utilization.

It aims to set up, conduct and promote various councils in research for diverse subjects that not only include education, but also which is multidisciplinary, multilingual and multicultural in nature so that it caters to the demands of the new globalised individuals.

The following activities are undertaken by the Centre:

Junior Research Fellowship

Research Development Committee

Research Workshop

Minor Research Project Research Council

4. Centre of Extension

The Centre aims to provide services for continuing education and to telecast programs of social education throughout the state, and in order to promote an all-round interest in teacher education. It also aims to provide an interrelated connection amongst all the areas in all the integrated courses of teacher's education, like theoretical, experiential, experimental foundations of education, curriculum and pedagogy, practical courses and school internship.

The Centre also aims to conceive, design, conduct and promote various short-term and long-term courses for not only pre-service and in-service teachers but also courses specially designed to serve the parents to play the demanding new roles, to become more competent teachers, to enhance the causes of the aims of continuing education and lifelong education. The Centre of Extension Services is promisingly functional with its multi-faceted structure comprising four proactive departments namely:

- Curriculum Development
- Testing
- Publication
- Teaching, Learning Material and Development

Through the Centre of Extension, IITE is conducting various programs for in-service and other aspirants for developing their knowledge and skills in the area of higher education.

5. Centre of Special Education:

After implementation of the Right to Education Act, 2009, diversities in classrooms are increasing and clearly visible. The base of these diversities may be social, cultural, ethnic, economic, lingual, cast, and disabilities. With this increasing diversity, management of the classroom is a concern for teachers.

This is a concern because teachers are not trained for dealing with these diversities, they may not be acquainted with the basic characteristics, teaching methods and other techniques required to manage these diversities in the classroom. The changes are coming in the system and we are moving towards inclusive practices and special emphasis is being given on the needs of individuals having disabilities. Government has started Sarva Shiksha Abhiyan, Rastriya Madhyamik Shiksha Abhiyan and other policies to address the needs. Government has also made some legal provisions for children with disabilities, like for instance, the Person with Disability Act- 1995. The recent one is the Rights of Person with Disabilities Act, 2016.

With the above concern in mind the Centre of Special Education was established on 9th April 2019. Under the Centre of Special Education, there are two departments:

- Department of Mental retardation / Intellectual Disability
- Department of Visual Impairment

The key responsibility of the Centre is to provide constructive support to the children with special needs in the conducive environment of the Indian schooling system.

We aim to offer RCI (Rehabilitation Council of India) recognised programs training teachers for the students with special needs.

SHRI KIREET JOSHI LIBRARY – ‘The Resource of Knowledge’

It is said, “When in doubt go to the Library.” A library is the soul of any academic institution. No University, College or Institute is complete without a library. Shri Kireet Joshi Library is the soul of the Indian Institute of Teacher Education. It serves as a knowledge hub to promote learning and reading activities among faculty members and students of IITE. The

Library is situated in the midst of the academic complex of the University and is the hub of all academic activities of the University.

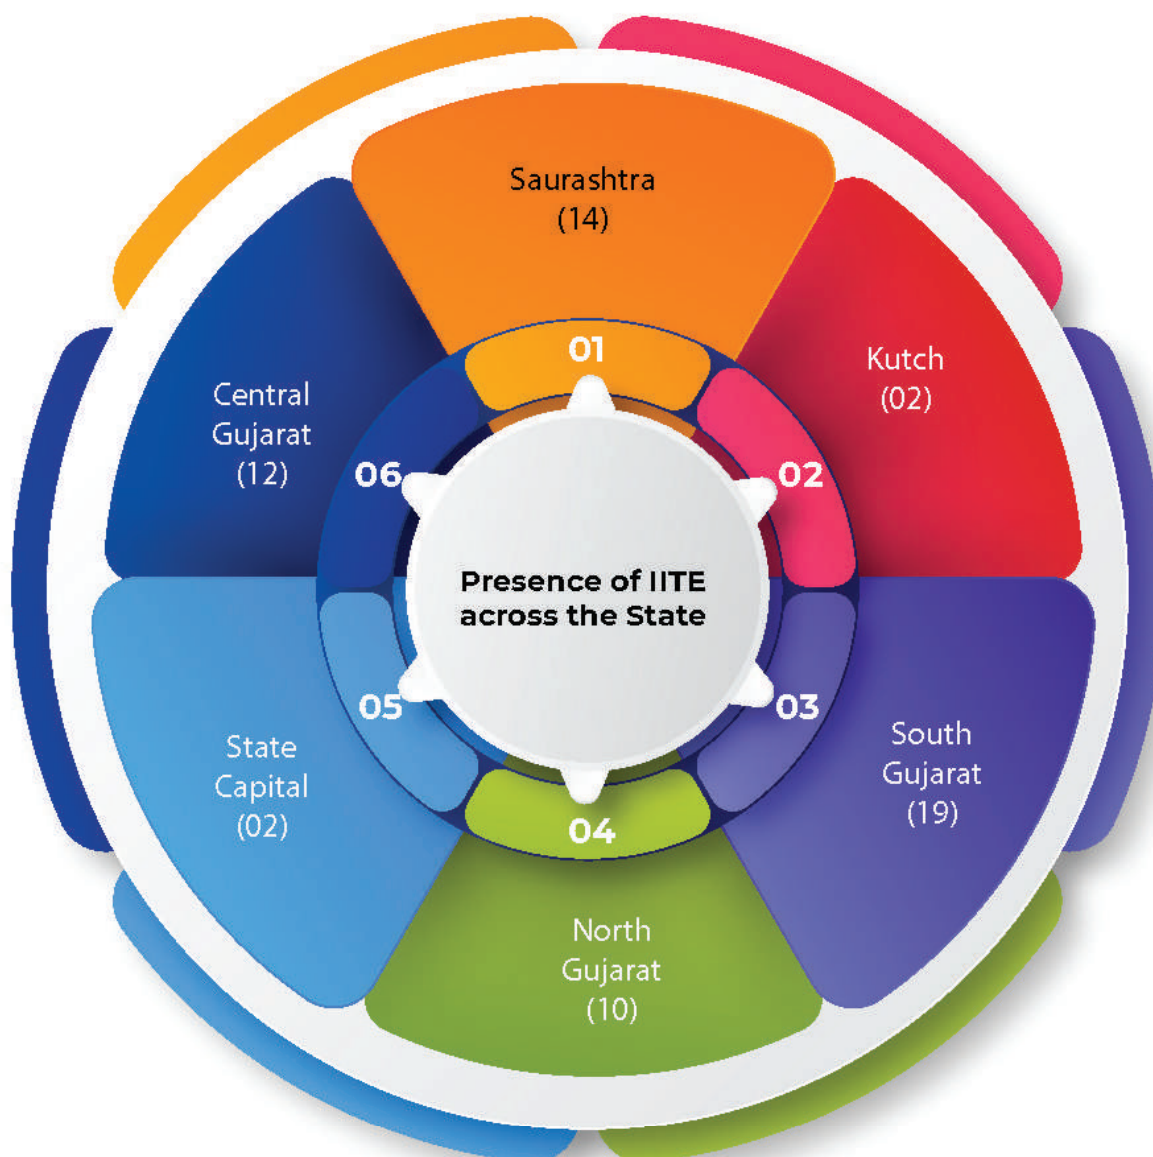

- The Library is fully functional with RFID Technology which involves self-check-in check-out through KIOSK Machine, Book security Gate, Book Drop Box, Books inventory, user tracking, and smart card service.
- The Library uses SOUL 2.0 Library Management Software and all Library functions are being carried out using the same. Most of the operations of the library have been computerized and the rest of the operations are in the process of computerization.
- IITE is a member of the National Library and Information Services Infrastructure for Scholarly Content (N-LIST) – a project jointly executed by UGC-INFONET Digital Library Consortium, INFLIBNET and INDEST-AICTE Consortium, IIT Delhi. Under this membership we have access to 6000+ E-journals and 135000+ E-books.
- The library has a good collection of books on Education, Computer Science, Chemistry, Physics, Mathematics, and Humanities & Social Sciences. The collection includes reference books, Journals, periodicals, encyclopaedias, dictionaries, text books, CDs etc.
- Students are constantly in need of a best collection of books and research journals in electronic as well as printed formats, for this purpose the university has subscribed with INFLIBNET for e-resources and for e-journals with various reputed online scientific databases which can be accessed for further study and projects.
- The library has been well – equipped with comfortable furniture and amenities alike.
- The library has been provided with Internet and photocopying facilities throughout the working hours, both for the students and the faculty.
- It is equipped with computers, educational CD's & e-books which may be used by the students, teachers and researchers.
- The library has in all 8580 books, 29 Academic and Research Journals, 18 Magazines and Periodicals, 6000 e-Journals, 135000 e-Books and 9 Newspapers.
- The Library reading area is fully air conditioned having 120+ seating capacity for the comfort of the readers.
- The library remains open from 8.00 a.m. to 6.00 p.m. throughout the year.
- The Library enriched its collection by 11,200 plus books whereas 2500 plus books were received as a gift from the Honourable Vice Chancellor, IITE and other eminent persons and organizations.
- The Library has subscribed up to 48 journals and received 50 Journals/Magazines as gifts and exchange.
- During the period under report, the Library also subscribed two free databases through the E Shodhsindhu project named “South Asian Archives” and “World Archives” on the registered IP range of the university.
- In addition to this the library has a unique and special collection called “Shree Kireet Joshi Archives”, which archives the books edited and written by the great personality Shree Kireet Joshi.
- The library also has separate sections for references, dissertations, CD/DVDs collection, old exam papers, collection of Psychological tests and a collection of Educational surveys for research enhancement.
- To promote research integrity and quality enhancement of research, the university has provided all the faculty members and supervisors with the access of “URKUND” anti-plagiarism software.
- The Library has also organised an online user training program for using the anti plagiarism tool.

The Library organizes regular library orientation programs for UG, PG students and PhD scholars of the University.

Affiliated Colleges Information

IITE was established with the aim of exporting well-groomed and trained teachers at the global level, by the then Chief Minister of Gujarat and present Prime Minister of India, Shri Narendra Modi. In an effort to expand its horizons IITE has undertaken numerous steps, one of which is becoming an affiliating university.

Indian Institute of Teacher Education is committed to uphold Teacher Education; and to develop, design, conduct and promote foundational courses, core courses, Research in education, experimental activities covering a wide range of subjects in teacher education as per the central idea to establish this University. To percolate this central Idea and to promote the teacher education programme across the state; with one common training and syllabus, the Education department, Government of Gujarat decided to de-affiliate all 39 Grant-in-Aid / Government B.Ed. colleges and had been affiliated alongwith 19 DIETS with IITE. The academic department initiated the process for affiliation within the stipulated time line and completed the process accordingly. By affiliating the colleges, IITE has boosted its presence across the state; the vital initiative to establish good gestures in teacher education.

Shiksharth: Initiative for Curriculum Transaction

Shiksharth is one of the initiatives towards quality education by Indian Institute of Teacher Education. The vision of Shiksharth is to educate future teachers and teacher educators with versatile knowledge from eminent educationists from the field of education.

Shri Bhupendrasinh Chudasama, Education Minister, Gujarat launched it on 3rd of January, 2021. From 18th January, 2021, it telecasts in the morning at 8:00am to 11:00am and re-telecast in the evening at 6:00 pm to 9:00 pm. on Vande Gujarat Channel No.1, Dish TV's Channel No.1264, DD Free DTH, Jio TV mobile application.

Under Shiksharth programme, various topics related to teaching skills, Communication, ICT in Education, Curriculum, Educational Psychology, Educational Philosophy, Educational Research and many more related to language learning are covered. Across Gujarat, more than 70 experts from the field of teacher education, Gujarati and English language have shared their knowledge through Shiksharth platform.

To facilitate learning to prospective teachers, during the semester end examination, panel discussion on various subjects were telecasted. To facilitate learners to learn as per their space and speed, these recorded lectures are available online on IITE Youtube channel. It provides an opportunity to the teacher fraternity to reach remote areas.

In the near future, Shiksharth is providing a platform to learn the Indian Classical language – Sanskrit in its own space. With an objective to improve quality of research, another series on Research Methodology will be the second programme under it.

Chanakya Awards: 2021

“A teacher is a candle who spends the whole life lighting up the lives of students.”

The Chanakya Awards for Teacher Education is being instituted to recognise the efforts and achievements of the teaching fraternity. Through this initiative, IITE intends to set a trend of celebrating the pride of the teacher's job as a gratifying career. The selfless service of such a teacher should be recognised and appreciated. Following the guidelines of NEP-2020, IITE has taken up Chanakya Awards as an initiative to revive the respect and performance of teacher educators and teacher education institutes as well as to motivate the teacher trainees to perform their best.

About the Awards

Chanakya, also known as Kautilya or Vishnu Gupta was a professor, philosopher, a great scholar and a royal adviser. He spent the last phase of his life at the ancient Takshashila Vidyapith in Takshashila, as a professor of economics and political science. Chanakya served as the chief advisor to Chandragupta. Chanakya has been credited with authoring two treatises said to be the first of its genre in the world – the Arthashastra (Economics), the ancient Indian political treatise; the Niti-shastra, the Chanakya Niti, a treatise on the ideal way of life and his policies. He is an apt example of a true Guru and an ideal teacher under whose guidance the Indian Maurya empire emerged as the superpower in the world and that is why the name Chanakya is immortal in the history of education in India as well as in the world.

Selection Process:

The award was initiated and declared on 30 June, 2020 on the occasion of 10th foundation day of the university and on 30 June, 2021 the awards has been awarded in the following categories: One of the five resolutions made by Honorable Vice Chancellor sir is the declaration of Chanakya awards for teacher educators. As per Regulation no. 62: Academic Awards, the Chanakya Awards were declared. Dr. Jayna Joshi coordinated the whole process. In the month of January-2021, the applications under three categories i.e. Chanakya Awards for Best Teacher Trainee, Chanakya Awards for Best Teacher Educator and Chanakya Awards for Best Teacher Training Institute were invited.

Name of Category	Chanakya Awards for Best Teacher Trainee	Chanakya Awards for Best Teacher Educator	Chanakya Awards for Best Teacher Training Institute
Applications Received	06	09	02

The applications received under the various categories were processed under the following stages.

Stage 1: Review Process of the Applications

A review Committee was formed of three members. The review committee reviewed and provided the weightage to the applicants as per the weightage scheme i.e. for teacher trainee: (out of 200), teacher Educator (out of 500) and teacher training institute (out of 1000).

Under Category 1: Chanakya Awards for Best Teacher Trainee out of six applications committee recommends that three applications are recommended for second stage.

Under Category 2: Chanakya Awards for Best Teacher Educator out of nine applications committee recommends that five applications are recommended for the second stage.

Under Category 3: Chanakya Awards for Best Teacher Training Institute three applications were received from H M Patel Institute of English Training and Research, Kanera Primary School and Shri C. H. Shah Maitri Vidyapeeth Mahila College of Education Surendrnagar. Out of three applications, only two applications were valid.

Stage 2 and 3: Selection cum Screening Process

All the applications that were selected for the second phase have been passed through the second stage as well as through the third stage. The committee members assigned letter grades to the applicants as per their performance. After reviewing the grade sheets of both the categories, the Chairman suggested that the Category-2 is for teacher educators. They were having teaching experience of the years together, and the presentation of the data and the documents were very clear. So, the panel decided to have interaction only with the applicants of category 1: (Teacher Trainee) and in category 2 (teacher educator). Apparently the winner is the par excellence. No interaction is required, looking at their status and presentation. So the winner of the category -2 (teacher educator) was unanimously decided.

Again a virtual session of interaction was arranged with the applicants of category 1 was held on 9th June, 2021. All the panel members were requested to join the session and evaluate all the applicants as third parties. Coordinator hosted the session and asked questions on behalf of the panel. After the interactive session. Committee members unanimously finalized the names for each category after the healthy discussion. The names of the winners are as follows.

Survey on Online Education in Gujarat

One of the 5 Sankalpas initiated by the Hon. Vice Chancellor of IITE, Dr Harshad Patel sir on the 10th Foundation Day Celebration of IITE, was 'Survey on Online Education in Gujarat' that can become 'path enlightening' to the whole of the school education system of Gujarat that was struggling in the Pandemic era. The responsibility of this challenging task of CoR was shouldered by Dr Sudhir Tandel, Associate Professor and Deputy Director of CoR, IITE and Dr Nishant Joshi, Assistant Professor and Head, Department of Research in Education, Languages, Sciences and Social Sciences. This was perhaps the biggest inclusive survey on Online Education in the Schools since it recorded views, opinions and suggestions of 300 stakeholders of school education in Gujarat on various aspects of Online Education such as curriculum, pedagogy, physical resources, teacher training, assessment and evaluation, time table and issues related to students, parents, teachers, principals and school management. It encompassed the data from 60 renowned educationists, 60 principals, 60 parents, 60 teachers and 60 management authorities across all the districts of Gujarat covering government, grant-in-aid and private educational institutions situated in rural, urban and municipal corporation areas of Gujarat. The Research Report of the Survey on Online Education was launched by our Honourable Education Minister Shree Bhupendrasinh Chudasama and State Education Minister Smt. Vibhavariben Dave on the 3rd Convocation Day Ceremony of IITE on 24th December, 2020. The report will be soon available to all the stake holders in the form a book titled as "A Study of Necessities and Provisions for Online Learning".

This year the Center of Research also contributed to i3T (Integrated Test for Teacher Trainee) in terms of the Test Item Analysis as well as results analysis for the further improvement of the test.

On 12th December, 2020, a grand inaugural ceremony of the Student Startup & Innovation Policy (SSIP), a separate department of CoR at IITE, was organized at Indian Institute of Teacher Education (IITE) Campus, Gandhinagar in the presence of Hon. Education Minister Shree Bhupendrasinji Chudasama. Dr D. D. Mandaliya delivered an inspiring expert talk to all the principals of education colleges and other participants of the function. On 16th March, 2021, a webinar on “Inclusive Innovation in Education” was organized in which the expert Prof.(Dr) Harish Hirani delivered the expert talk. These programs were coordinated by Dr Raviraj Rajpura, Associate Professor and Head of the SSIP department, CoE. IITE.

The Department of Research in Education, Languages, Sciences and Social Sciences, CoR organized an online workshop on Writing Scientific Research: An Orientation to Referencing Styles. Dr Urmi Satyam from Pandit Deendayal Petroleum University, Gandhinagar and Dr Priyanka Kacker from National Forensic Sciences University, Gandhinagar were the experts of the workshop. In total, 72 participants from various disciplines participated in the workshop. The workshop was coordinated by Dr Deep Trivedi, Associate Professor, Indian Institute of Teacher Education.

State Level Webinar

A State Level Webinar was organized on Resources for Research Grants by the Department of Research in Education, Languages, Sciences and Social Sciences, CoR, on 15th June, 2021. Dr H. B. Patel, Dean, School of Education, Central University of Gujarat was the expert of the webinar. In total, 32 participants across the country participated in the webinar. The webinar was coordinated by Dr Nishant Joshi, Assistant Professor, IITE.

Other Miscellaneous Work

In addition to these programmes and activities, the center also conducted many in house activities such as preparing the brochure of the CoR, making presentations of CoR in the Know and Engage Your System (KEYS) Programme, motivating the faculty of IITE for the Research Projects, planning activities for the next academic year etc.

M. A. (Education)

The academic session for the present year commenced on November 06, 2020. In total 70 students were admitted as per the criteria decided by the Department. In the semester – I was taught five papers of total 18 credits. They were taught papers like; Sociological Foundations of Education, ICT in Education, Methods of Research in Education – 1, Value Education and Preparation and Presentation of Research Proposal. During the semester

they were given different assignments in respective subjects.

Semester – II also commenced on November 06, 2020. Total 47 students were enrolled for the course during the semester. They were taught; Philosophical Foundations of Education, Psychological Foundations of Education, Teacher Education, Guidance and Counselling and Dissertation (Tool Development). In both the semesters online classes were conducted. Classes were conducted by the senior teacher educators from the center of teacher education of the University. Subject experts were also invited from the different University's departments and colleges for both the semesters.

Department encourages the research students to explore their areas of interest by offering a substantial amount of guidance and support in terms of expertise and resources. As a result, the research students of the present academic year have undertaken projects in various academic fields of education. To facilitate their research work in the most efficient way, the Research Committee suggested the students submit their Research Proposals, which, in turn, were discussed with them and the focused research problems were finalized. As proceeding of this meeting with students, the Committee decided the allocation of research supervision for the individual researchers.

The students of both the semesters have always been encouraged to participate in numerous academic activities. They participated in a one-day workshop on Universal Human Values 'Shikshan ane Vyavasthana Manviyakaranma Samajni Bhumika' organized by the department on 14th February 2021.

Their internal exam was scheduled in the month of April and by the end of the same month an external exam was conducted. Due to pandemic the external exam was conducted online for both the semesters. From semester – I total 58 students wrote the exam and from semester – II total 37 students wrote the exam.

National Service Scheme (NSS)

1. Orientation of NSS for students of IITE

To introduce the National Service Scheme (NSS) cell of the University and college level to the students of IITE, Program Coordinator Ms. Darshana Likhada has conducted one session in the assembly of CoE on 26/09/2020. Almost all the students of CoE were present including all the faculty members. The main agenda of that session was to introduce the scheme, the mission of the scheme, how it works, the activities carried out in the scheme, who and how can enroll as a NSS volunteer, etc. It was very informative and all the students have actively attended the program and all the queries and curiosity of the students were solved too.

2. NSS Volunteers Enrolment

After successful orientation of NSS, the Program Coordinator has asked all the NSS units to proceed for enrolment of volunteers for the year 2020-21. The procedure was carried out in the month of August, 2020. The enrolment details are as follows,

Total NSS units of IITE: 21 (19 DIETs + 2 units of CoE)

Total number of enrolled volunteers: 979

Total number of Boys enrolled: 354

Total number of Girls enrolled: 625

3. Road Safety Survey Activity

With reference to the letter No. GUJROSA/Awareness/423 dated 16/10/2020 from the Road Safety Commissioner Shree L. P. Padalia for 'awareness and road safety education to be imparted to the students of the colleges/University', a small survey was held online by NSS cell among students and faculty members of IITE. A large number of people have willingly participated in this survey. The main aim of this survey was to know how many are holding valid driving license, following traffic rules, wearing safety gears, etc. as mentioned in the referred letter. A brief analysis of this survey includes the points like; more number of females have responded than males, average age of participant is 21 years, the majority possess valid driving license, also follows the traffic rules like over speeding, wrong side driving, red light jumping, and wear safety gears like helmet or seat belt. It is also noticed in the responses that a lack of awareness of driver is more responsible for road accidents according to the participants. It was also asked if they have any strategy for traffic management, almost everyone has written their thoughts very nicely. It mainly includes, the traffic rules, speed limit criteria should be followed strictly, road maintenance, intelligent traffic signals installation, a subject on road safety and awareness should be included in higher secondary studies, etc.

The report of the same was also sent to the Road Safety Commissioner on 06/11/2020.

4. NSS regulations 59(4)

In the month of April of 2021, the regulations of the National Service Scheme were prepared in many drafts and finalized for the IITE Regulations 2021. One can find the NSS regulations in the section 59(4) of the IITE Regulations 2021.

5. Revised NSS University Advisory Committee

The University advisory committee for NSS was first formed in February, 2020 and it was revised in the month of May, 2021 as per the common structure of other University advisory committees of IITE.

6. Introduction of NSS in KEYS

Parichay Parivar no 2.0 'KEYS' followed by Parichay Parivar no 1.0 was organized in the month of June, 2021. To introduce the NSS University cell in this program, a presentation was prepared by Program Coordinator-NSS and presented under SSCW department of IITE on 12/06/2021 to all the family members of IITE.

7. World Environment Day Celebration

It is well said that, 'Let us nurture the nature and so that we can have a better future'. The World Environment Day, an occasion to contribute something for our mother nature. On this World Environment Day 2021, Indian Institute of Teacher Education (IITE) Gandhinagar has organized an appreciation program with very unique idea to appreciate the best school/s of Gujarat state having reach garden area maintained by school faculties. Kalakunj 2021 (9th and 10th January)

Indian Institute of Teacher Education-IITE is committed to bring quality in all aspects of Teacher Education across the state and nation. The main goal is the overall development of the trainees through a range of curricular, co-curricular and extra-curricular activities. It is inevitable for those who are going to build the future generation to get diverse experiences. The student who has passed through it will shape the future generation with his/her skill.

Indian Institute of Teacher Education is at the forefront of innovative approaches in the field of teacher education. Happily accepting all the struggle during the Corona pandemic, excellent work was done here to keep the morals high. All academic activities like admissions, teaching through online platforms, training, and various other activities were conducted extensively.

After the time of Corona Pandemic, when the government suggested accepting new normal and slowly initiating working towards normalizing education, the youth festival 'Kalakunj-2021' was planned by Student Support, Cultural and Welfare branch under the guidance of Hon. Vice Chancellor sir. Kalakunj is a unique program for the youth to showcase various arts and talents.

The inaugural program was a triune confluence of art, craft and technology. Hon'ble Chancellor Shri Harshadbhai Patel presided over the program. Prof (Dr.) Chetanbhai Trivedi (Hon'ble Vice Chancellor, Bhakta Kavi Narasinh Mehta University, Junagadh) inaugurated the entire event and motivated all the participants with his speech. Shri Jatinbhai Bhatt (Organizing Secretary) and Committee Head Dr. Jumishri Pathak also remained present on stage during inaugural ceremony. Smt. Aditiben Desai (Senior Artist), Organizing Chairman Shri Kishorebhai Nayak (Principal, Shri Rang Shikshan Mahavidyalaya, Bilimora) joined the event online as a guest. Dr Mehul P Dave hosted the event in an interesting manner.

Kalankunj Secretary Shri Jatinbhai Bhatt during his speech happily noted that even in difficult times and short periods, out of a total of 60 colleges affiliated to the University from Daman in the South to Palanpur in north and Dwarka in the West to Godhra in the East, total 50 colleges have participated in the Youth Festival. There were total 595 contestants in this two-day festival in which 16 online and 3 offline competitions were held.

Guest of honor Smt. Aditiben Desai, who has made a unique contribution in the field of art, noticed at the outset that the teacher education is taking a step towards the hope and optimism from pessimism of pandemic. She stressed that it is imperative for the institutions which see education as karma and dharma to do various arts in education. The 21st century is a century of knowledge and technology but with skill and art you can reach a child's heart in a best way than anything else.

Inaugurating the program, Prof. (Dr.) Chetanbhai Trivedi in his motivational speech applauded the various offline programs of the university during the year and congratulated them for adding one more step. Defining education, he said, "True education develops the mind, intellect and body" and from this point of view, sports and cultural matters become important. He pointed out that teamwork and arts are developed among the youth through the Youth Festival. Taking note of 'Natya Pancham Vedam' and 'LITRETURE IS MIRROR OF SOCIETY' in his own style, he emphasized the need of arts in education.

The Vice-Chancellor's address at the end of the inauguration program was really inspiring. At the beginning of the sermon, he remembered the late Shri Kirit Joshi who gave direction to the element and practice of the University. His statement - "Art should be the medium of education" was presented to all. He said that the role of the organizations should be to nurture

the generations and this is the work that the university does. He stressed that it is a great thing that a large number of people enthusiastically participated in the youth festival during difficult times. And that way positive energy will be created in future teachers.

After the address of Hon. Vice Chancellor, various online competitions were commenced. In Kalakunj-2021, 25 competitions were held in six sections namely Music, Literary, Fine Art, Theater, Music and Dance in which all the participants participated enthusiastically. Subject matter experts and experienced judges in the competitions meticulously evaluated the activities. Along with making meaningful comments they encouraged them and guided for more quality work in the future.

January 10, 2021 was the second day of Kalakunj. The premises of IITE was adorned with the arrival of participants from the participating organizations as off-line competitions were to be held on that day. The roar of the youth created an exciting atmosphere.

Organizing Chairman Dr. Kishorebhai Naik, while describing the experience in his own unique style about the program, said that he was happy that the two-day Rangotsav was overflowing.

The valedictory ceremony of Kalakunj-2021 was held in the presence of Padmashri Shahbuddinbhai Rathod. The program was presided over by Hon'ble Vice Chancellor Dr. Harshadbhai Patel. Hon. Director, GCERT, Dr. T.S. Joshi, Organizing Chairman Shri Kishorebhai Nayak, Registrar Dr. Himanshubhai Patel also graced the function. Conducting the program in a distinctive style, Dr Mehulbhai Dave initiated the program with a prayer.

The chief guest of the program, Padmashri Shahbuddinbhai Rathod, in his distinguished style, initially made observations and humorous remarks about his mood with the youth. It presented the status of youth in life and the wisdom of what they have to do. He asserted that his confession had been obtained through torture. Men are naive and go where the emotion appears. In fact, men are innate artists. What should a teacher look like? Raising such a question, he said that a teacher should be an expert but more importantly, a teacher should be charismatic. Adding further said that the teacher should also be humorous. Sharing the meaning of education imposed in his life, he said that true education is what brings liberation. The result in the whole process of our education was pointed towards 'Sa Vidya Ya Vimuktaye'.

At the end of the program, Hon'ble Vice Chancellor Dr Harshadbhai Patel expressed his satisfaction that the entire program was successful. It was said that energy is generated by the motion of a particle. He remembered that in his childhood, he played some roles in one act plays. At the end, all the winners were given certificates and prizes. Kalakunj-2021 gave an introduction and recipe of how talented the future teachers are, in different fields in the B.Ed. colleges functioning in different districts of Gujarat.

Branches of University – Annual activities

Annual Report of Registration Branch for Academic Year 2020-21

The Registration Branch of Indian Institute of Teacher Education is primarily looking after the conduction of i3T Entrance Test for taking admission in the courses run by the university. Usually the admission process encompasses Entrance Test, Admission Counselling, Primary Eligibility, Enrolment and Registration process for a student to be eligible to take the first semester-end examination.

There are two major events which are being looked after by the Registration Branch. First is the University Foundation Day which is being celebrated on 30th June of every year and the Second is University's Annual Convocation to be held in the month of December every year.

i3T 2020

Due to COVID19 pandemic situation the admission process for total 3384 seats for the academic year 2020-21 began on 30th May 2020 and the applicants were given more than a month to apply online for i3T entrance test. The last date, which was 10th June 2020, was postponed till 18th July 2020 considering the COVID19 pandemic situation and applicants were given more than two months to apply. Even though there was COVID19 pandemic and nationwide lockdown, the university has received total number of 11003 applications as it was decided to offer all 185 taluka places as i3T Entrance test centers. Out of 185 test centers offered, i3T entrance test was conducted on 135 entrance test centers in which total 9931 applicants had taken the entrance test on 2nd August 2020. The USP of the i3T Entrance Test was that almost 12000 units of Face Shield, Face Mask, Hand Sanitizer Sachets and Hand Gloves were provided to all the applicants as well as the personnel engaged in the process by the university. The utmost priority to adhere to the safety guidelines and SOP was being followed while conducting such a mammoth task. One applicant from Amreli, having COVID19 had taken the entrance test as the special test center was established at the quarantine center with the help of Health Department of the Gujarat Government. Considering the COVID19 pandemic and its adverse effects on the psychology of learner, it was decided that the cut-off marks for i3T Entrance Test shall be lowered as a very special and distinctive case. It was decided that the candidate securing 40% of the total marks in i3T Entrance Test shall be considered for Merit Preparation and Admission Counselling. In order to cater to the need of getting admission in Govt. and GIA colleges, the methodology was developed in such a manner that the maximum applicant can get the admission in Govt. and GIA institutes. The seats were filled by adding the empty seats of the previous method with the remaining method seats and thus making more and more seats available for the students of the methods were eligible students were almost five times the total seats.

IT Department

During the last one year complete revamp of University networking and IT Infrastructure is done in coordination of the IT Department at the University Campus.

A Digital system is more than a system or collection of application, platform, or Infrastructure that are being leveraged in a siloed manner around campuses. It's required strategic framework that foster a connected ecosystem and create a new, exciting experience for all. Emerging technology are required in order to develop the next-generation campus- technology that are woven into the fabric and process of an institution to create smart communicates for its students, constituents, and citizen. And base in the digital campus framework always depend on Infrastructure.

CCTV

Indian Institute of Teacher Education has implemented Information Infrastructure for digital smart campus through the various IT equipment such as CCTV, Access-Point, Hotspot Router, Firewall, Biometric devices and Internet Lease line connection with fully Fibber connection throughout the campus. Fibre Optic cables provides high speed transmission of data and also provide the opportunity to expand the network easily in case of need.

BIO MATRIC DEVICES

ACCESS-POINT

University has procured and installed the Security device like firewall to provide protection to the important data of the organization against outside cyber attackers by shielding computer or network from malicious or unnecessary network traffic, prevent malicious software from accessing a computer or network via the internet and it supports up to 350 concurrent users to authenticate along with manage internet traffic. University has procured the top branded and market share leader technology Ruckus access point and installed in Outdoor and indoor campus for internet connection with secure, smart and reliable with best range. Staff, Students and Faculties Can access Each and every place in campus Wi-Fi facility with authenticate through the MAC address from Controller.

Server room rack with switches, Firewall

In Addition, university has procured high quality branded Hik -Vision CCTV surveillance for Outside and Inside campus. Arrangements of the cameras are like that, minimal cameras are required to cover the entire campus without any blind-spot.

LIVE MONITORING EXAM

As part of the Digital Campus project, university procured high configuration server which helps to easily share the data as well as to share resources and in case of failure of systems from the back up of the server easily we can restore the important data.

During last one year IT Department procure the various hardware and software like bio metric machines, Boom Barrier, Anti-Virus, All in One Machines to enhance the working of various departments of the University and to support the online education along with this IT Department also coordinated configuration of Learning Management System – Angira with infibnet for the various courses to be offered through it.

IT Department extended help to the examination department during the February, 2021 semester end examination in setting up the live monitoring centre at ITE, Gandhinagar for the real time monitoring of the examination centres online and set up the Computer Lab (Scanning centre) for the scanning of Answer Books at University Campus.

Examination Department

Every year university is conducting semester end examinations for various regular programs run by the university twice in a year and for the smooth conduction of the examination following various committees are formed according to ordinance and regulations of the University.

Since last year, examination department is doing the extensive use of the ERP for the various tasks of pre examination, post examination and during examination like exam form configuration, processing of the result, generate various reports from the system etc. and for the easy understanding of the working of ERP, examination department provides help manuals to various stack holders like students, colleges, center coordinators etc.

Students need to fill the exam forms online and no need to visit the University as complete process is online through ERP, download the hall ticket, view the result and download the same, apply for reassessment and rechecking through ERP.

Colleges are able to upload the Internal Marks directly into the system and mark their students eligible/ not eligible to fill the examination form based on regulations of the university, view the result of their students and access the office record for their students, verify and correct the examination forms of the students.

Center coordinators gets the course wise, semester wise and date wise count of the students allocated to their center, they can mark the attendance of students appeared for the examination through system only so at University we will get the real time data from across all the examination centers.

July 2020 Examination

In the time of Covid-19 Pandemic, University Examination was conducted as Online Open Book Examination by giving the utmost importance to safety and wellbeing of the Students and staff involved in examination work as per the guideline from UGC dated 6th July, 2020 which allow the Universities to conduct the examination in Online/Offline or Blended Mode. Examinations were organized between 20th July, 2020 and 30th July, 2020. As per the guideline of the UGC, University also conducted one more time Practical Examination for the programs in which students were unable to appear in the examination. In this exam more than 1000 students appeared for the examination. Due to online mode of examination we achieved 100% attendance of students for all the courses and semesters in theory examination.

As Open Book Examination was first time experience for the students of the University so to make them acquainted with the system, we conducted 3 Mock Test conducted before the start of the actual University Examination and make sure that every student should attend at least 2 mock test out of those 3 to become well acquainted with the system.

University adopted Digital Assessment from this examination onwards which enables evaluators to evaluate the answer books at their own convenience and pace.

UPD

NIRF

Though teacher education institutes are not included in National Institutional Ranking Framework (NIRF), IITE has got permission to participate in NIRF as University under Overall category since last two years.

GSIRF

The following chart shows the comparison of GSIRF results of last two years

PUBLICATION & PUBLIC RELATION BRANCH

Indian Institute of Teacher Education (IITE) celebrated its 10th Foundation Day from 1st July 2020 to 30 June 2021. This decade of dedication was celebrated with zeal, zest and reassuring commitment to nurture teachers for future generations. Publication and Public Relation Department (PPRD) of IITE is the backbone of the University's communication and reputation management. Be it a big events like convocation and the foundation day of the University or a small seminar or workshop, PPRD has always assured effective communication to society about it. PPRD has ensured correct and clear communication during some challenging situations to ensure that propaganda driven efforts do not fructify to malign University's reputation. PPRD has been on the forefront of communication and having live connect with the stakeholders for the University. The department is producing original content for various initiatives, creating daily social media posts for the University's platforms like **Teachers' Tune**, posts for significant days and festivals, special seminars and workshops conducted by various centres. Maintaining live

The department is producing University's monthly newsletter – **Sutirth**. We are also entrusted with the responsibility of developing branding and communication for the University's intangible creative assets like Convocation, Foundation Day, University's Youth Festival – **Kalakunj**, Literary event – **Bhasha Manjoosha**, Students' farewell event – **Vigam**, University's TV platform – **Shiksharth**, **Paramarshan Pathey**, **Parichay Parivarno**, University's Annual Sports Day – **JOSH**, University's MOOC Platform – **ANGIRA**. Theme based creative expressions on the wall of Abhivyakti amphitheatre.

PPRD has actively participated in the thought leadership initiatives of the University. It includes outreach events like Dialogue Series – **Ughadati Dishao and Paramarshant Pathey** – deliberations on National Education Policy (NEP), and translation of **NEP in Gujarati**, new initiatives like I3T (Integrated Test for Teacher Trainee). PPRD has been integral part of one of the most creative branding exercise of IITE – હજુ યાદ છે (Haju Yaad Chhe – **Still I Remember – SIR**) social media campaign from concept to final execution. PPRD is at the foundation of Hon.

Vice Chancellor Dr. Harshad Patel's brainchild of starting an Internet Radio Station – **Teachers' Tune**. PPRD was involved in setting up technical infrastructure and planning radio programs & scheduling in the initial phase of the radio.

Apart from contributing to various events of the University for providing technical assistance for Live Broadcasts on Facebook and YouTube, PPRD has also done Facebook live sessions with IITE's Teacher Educators to share insights about the career opportunities in Education sector under the career guidance dialogue series – '**Teaching As Profession**'

Media Communication

Coordinating and communication with various news outlets like Print, Television, and Digital Platforms about University's various initiatives through Press Notes. PPRD has prepared more than 25 press communications and circulated amongst media during the year.

PPRD's contribution in various initiatives of IITE

- **Sutirth** – PPRD is publishing IITE's in-house magazine for teacher trainees and teacher educators.
- **Shiksharth** – PPRD contributed in the designing of the brochure and coordinated with the BISAG executives for the FB Live of inaugural ceremony of Shiksharth - a dedicated TV platform for Teacher Education on Vande Gujarat Channel.
- **Tune** – Internet Radio Station for creative and academic audio programs for learning through the waves. PPRD was involved in setting up technical infrastructure and planning radio programs & scheduling in the initial phase of the radio.
- **Chanakya** – PPRD contributed in the designing of the brochure and provided creative inputs in the trophy of the award.

Designing and publication of IITE's communication material

PPRD is designing theme base calendar and diary for IITE. The department is also engaged in designing Teacher Trainee's Diary, Brochures, Pamphlets, Syllabus books of various courses, advertisements. Backdrops and other branding material for various events of the University.

PPRD is facilitating the University's communication on main Social Media platforms

The department is actively creating social media posts for all the departments of IITE and also facilitating other departments to post them.

The following charts show the receipt and utilization of fund for the Financial Year 2020-21

Estate Dept.

This branch of IITE is carrying out work to create and maintain physical assets, furniture and infrastructural, security, housekeeping, transportation, gardening and other logistic works related to the University and Hostel campus. Also the branch to support the other branches who are allotted various tasks in IITE for upliftment of University.

The following works and activities were carried out by the branch during the year July-2020- to Jun-2021.

- (1) Security/Sweeper Services
- (2) Renovation Work (Toilet and Campus Boundary repairing and fencing)
- (3) Campus & Building Maintenance

Building Renovation/Maintenance: -

This building was allotted to IITE by Govt. of Gujarat but this building required to have some change & new facility as per requirement, which was essential so, taking this into consideration, Estate branch has look over into this matter to fulfill the requirement with a purposeful and maximum use of it of IITE.

Campus and Building Maintenance:-

- (i) Ground Maintenance: -The campus land allotted to IITE is around 45600 Sq.mt. of area. Where different outdoor games, competition & celebration of the National festival is organized for the physical and mental development of the student. Therefore the leveling and cleaning of the ground has been done from time to time within the year 2020-21.
- (ii) Garden: - There was a water logging problem at the front side of the IITE building. So. The leveling of this area is made and after that at this site which enhances the pleasant environment of the building & also the water logging problem is solved.
- (iii) Lighting: - For the beauty and safety at night proper lighting arrangement has been made at IITE campus/building.

Campus & Facilities

- SHRI KIREET JOSHI LIBRARY – ‘The Resource of Knowledge’
- Satwik- the dining place
- Chaupal- the performance place
- Auditorium- meeting and conference place
- Prayer Hall
- Incubation centre
- Hostel facility

Academic Branch

Syllabus:

A Syllabus as an overall view of an idea of a subject has a necessary place in any ideal system of Education.

A curriculum as an instrument of & certain goals to be achieved has also an important place also, a syllabus as a great utility in presenting to the student the various elements involved in that he is going to learn, in stimulating his interest in those elements and in creating in him a prospective attitude towards his studies. IITE believes that a syllabus should grow according to the needs of the inner growth of the student, and the student should be free to develop and weave the various elements of his studies into a complex harmonious whole on the lines of his deeper quest and according to the rhythm of the inner flowering of his personality.

The progress of the student has to be related to the motivation of the student. Curiosity as a motive has to be fostered and nourished.

IITE has taken up the initiative in the year 2020 with utmost care for upgrading the teacher education courses of UG and PG level; as well as implementing the same across its affiliated 59 B.Ed. colleges. IITE has also accepted and implemented PhD Course Work as per guidelines of UGC.

Teacher Recognition:

The applications for teachers recognition has been received from 39 affiliated Government and Grant-in-Aid Colleges during the year. The committee scrutinised all applications and recommended recognising the teachers as per their category. The Academic Council endorsed the same and recognised 213 principals and teachers of the affiliated colleges.

Subject Experts:

University has to prepare the panel for subject experts under Section 5 for constitution of Selection Committee recommended by “UGC Regulations on minimum qualification for appointment of teachers and other academic staff in University and Colleges and measures for the maintenance of standards in higher education, 2018” the subject experts list has been approved by the apex council for different category during the year and total 92 experts in 7 subject categories have been approved by the Academic Council.

Research and related activities

Research Development Committee:

As per regulations of the IITE, the Research Development Committee has been constituted and notified. RDC met 5 times during this Academic Year mainly for GDPI of PhD Admission and to review the progress of research work of research scholars of IITE.

Research Advisory Committee:

Research Advisory Committees were formed for various Research Scholars as per provisions of Ordinances. Due to the pandemic situation of COVID 19, most of the RAC were held in online mode to review the research work of Research Scholars.

Research Supervisor

Academic Department received applications for Research Supervisor from 4 teachers of the IITE, 1 from Associate Professor and 3 from Assistant Professors. After following due process, all are declared as a recognised Research Supervisor at IITE.

Thesis Evaluation

During this academic year, 3 research scholars submitted their PhD thesis, evaluated by the examiners and Viva-Voce and open defence was conducted. All 3 research scholars are declared eligible for the degree of PhD.

Notifications:

The Academic Department notified approved Ordinances and Regulations. As per provision of these Ordinances and Regulations, it also notified various Councils, Committees and appointments accordingly.

NAAC:

The Academic Department participated actively in the process of NAAC going on at IITE. Data related to Courses, Syllabus and other academic data are provided by the department.

NEP-2020:

The purpose of the education system is to develop good human beings capable of rational thought and action, possessing compassion and empathy, courage and resilience, scientific temper and creative imagination, with sound ethical moorings and values. It aims at producing engaged, productive, and contributing citizens for building an equitable, inclusive, and plural society as envisaged by our Constitution. A good education institution is one in which every student feels welcomed and cared for, where a safe and stimulating learning environment exists, where a wide range of learning experiences are offered, and where good physical infrastructure and appropriate resources conducive to learning are available to all students. Attaining these qualities must be the goal of every educational institution. However, at the same time, there must also be seamless integration and coordination across institutions and across all stages of education.

The National Education Policy envisions an education system rooted in Indian ethos that contributes directly to transforming India, that is Bharat, sustainably into an equitable and vibrant knowledge society, by providing high-quality education to all, and thereby making India a global knowledge superpower. The Policy envisages that the curriculum and pedagogy of our institutions must develop among the students a deep sense of respect towards the Fundamental Duties and Constitutional values, bonding with one's country, and a conscious awareness of one's roles and responsibilities in a changing world. The vision of the Policy is to instil among the learners a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being, thereby reflecting a truly global citizen.

Being a university, IITE initiated a better implementation of this policy and formed criteria wise different 11 committees to discuss and percolate the same at grass root level. The committees have made recommendations for the same.

RTI:

The Academic Branch received 3 applications under Right to Information Act, 2005. We responded to all these applications in time and as per provision of the Act. It also submitted Quarterly Reports to the Information Commission of Gujarat regularly during this period.

P G Portal:

Responding to applications received at Public Grievance Portal is an important part of the Academic Branch. During this academic year, 7 applications were received on PG Portal, all were attended and disposed as per the rule.

AISHE:

During this academic year, 40 new colleges were affiliated with the IITE, out of which 38 colleges have been transferred to the IITE account on AISHE portal. Due to the pandemic situation in the world, this AISHE survey has not been carried out during this period.

M.A./ M.Sc. M.Ed. additional Intake approval from NCTE:

As a part of student support to serve the society, IITE made a proposal for additional intake for M.A, / M.Sc. M.Ed. (integrated innovative programme) course; to the NCTE in the last year. The council has sanctioned the additional intake for 50 seats. Now, total Intake has been raised to 100 seats.

Utility Branch

- **MOU with Postal Department for Dispatch- with Perfect Tracking Mechanism**

The year 2021 rises with revolutionise in the dispatch mechanism. IITE has made an MOU with the Indian postal Department under the Book Now Pay Later (BNPL) scheme of the department. The scheme covers easy dispatch ways which enable us to bypass the booking counter with heavy rush; where we have to deploy staff at the counter with pay in cash the charges each time at the post office. The scheme enables us to save time and manpower with a perfect tracking mechanism. We have implemented the MOU from January, 2021

- **Stationery Stock on Click**

The Utility Department has to procure and manage the stationery items consumed at every department of IITE. The department procures the stationery items quarterly; as per requirement, vide bid on GeM portal as per direction of Government.

Moreover, the department has developed a simple In-house computerized system for inventory of the stock on a single click. The system helps the department to operate with easy stock management of stationery items and fetch the data for annual Stationery Stock Verification to be done within stipulated time.

AUDITOR'S REPORT

બડિસ-૩

To Members

Indian Institute of Teacher Education

Opinion

We have audited the financial statements of Indian Institute of Teacher Education, which comprise the balance sheet as at March 31, 2021, and the Income & Expenditure Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the entity as at March 31, 2021, and of its financial performance for the year then ended in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of these financial statements that give the true and fair view of the state of affairs, results of the operations and cash flows of the entity in accordance with the aforesaid Accounting principals generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
