Preface

Indian Institute of Teacher Education (IITE), a State Government University has maintained a trajectory of steady and sustained growth. since last couple of years. IITE has started to look forward for UGC 12B recognition, NAAC accreditation and NIRF ranking for the strong foundation of future progress. The Annual Report of the University portrays the wide spectrum of various academic and co-curricular activities at the University. The Editor has candidly tried to capture the vibrant academic environment that exists in the University Campus highlighting the research projects, research publications, participation in various seminars and workshops. The notable contributions made by the faculty members and some of the achievements of the students are also included in the pages that follow. The Annual Report also provides the statistics of quantitative data important for accreditation. We hope that the Annual Report 2021-22 presents successfully the academic culture of IITE to its readers.

I thank our Vice-Chancellor Dr. Harshad A. Patel for his constant support and encouragement in bringing out this report. I would like to express its gratitude to Internal Quality Assessment Cell (IQAC) for collecting and compiling the information from the various resources of IITE. I thanks all those who have contributed directly or indirectly in preparing and publishing this Annual Report.

Registrar, IITE

The Emblem

॥ न हि ज्ञानेन सदृशं पवित्रमिह विद्यते ॥

The emblem of IITE, is the combination of following:-
- Rising sun.
- An open book.
- A teacher writing on a green board.

["Nothing is more sacred than the Education" (knowledge)]

The emblem has an open book from which the sun is rising in the centre, which depicts the continuous rise of knowledge and how it brightens the world from all the evils prevailing around. Further, the logo shows a teacher writing on a green-board, which shows the role of teacher in transmission of knowledge to the world and is symbolized as the sun in this human world. The person, who only can lead anyone from the darkness to the brightness of life.

Teachers only can teach the true essence of life with the use of simple tools like board and can bring wonders to this world. The university emblem ultimately symbolizes an endless flow of rising knowledge.

Vision, Mission and Objectives of the University

Indian Institute of Teacher Education: The State Public University: Nurturing Teachers of Tomorrow…

The Indian Institute of Teacher Education(IITE) has been established "to promote teachers' development of integral personality; wide vision of nationalism and internationalism; and to fulfil their role as exemplars, as friends, philosophers, and guides; as scientists, psychologists, artists and technologists; and above all as ideal communicators who can spread uplifting influence by the processes of awakening, inspiration and contagious enthusiasm; also to promote new trends of syntheses of the East and West and agents of change from old to the new" - The Indian Institute of Teacher Education, Gujarat Act, 2010

Indian Institute of Teacher Education (IITE), a State Public University established under Gujarat Government Act 8/2010, is the University dedicated to Teacher Education. It is only of its kind University in India and in South Asian countries. This University is the manifestation of India's visionary leader, then Chief Minister of Gujarat and incumbent Prime Minister Hon. Narendra Modi's vision of a University, which would be specialized in preparing teachers equipped with the advanced teaching skills and deep understanding of Indian knowledge and value system. The University is committed to prepare teachers with global competence to teach in the schools across the world, as Shree Narendra Modi has vision to provide excellent teachers not only to India but across the world, who will carry Indian Values with them wherever they will be going to teach in the world.

It is believed that the sharing is the power that will generate the knowledge in the 21st Century. In contemporary times, education would not be just UG/PG degrees but multidimensional development of individual. Looking at the dire need of the society for an all-inclusive setup, the idea of innovative, residential, integrated degrees was brought in to existence. It is an Indian ethos to sense the best from round of the world and to inculcate them in prospective generations without any kind of discrimination. Legendary Indian Academician and Philosopher Shree Kireet Joshi, made it viable and led us towards developing curricula for this University. It is a collaborative effort and leading National and International scholars contributed in development of the curricula. The institute has single line motto of nurturing world class teachers, who can be exported to the schools across the world. It is the acute need of the time and there is a dearth of good teachers globally. IITE is established with a view to provide skilled teachers to the world.

Skill is a key in the process of acquiring knowledge. IITE has made it mandatory, so skill development training is integral part of our training curriculum. We have focused on specific skills to get developed along with schedule programs of curriculum transaction. Communication skills in mother tongue and English, dance, drama (theatre), painting, performing arts, etc. We believe that enhancing professional skills give competitive advantages to learners for securing the role of a teacher at the beginning of their career as soon as they step out in the world.

Vision

To nurture teachers of tomorrow with the transformative knowledge of Indian tradition and usher in a new era of teacher education, focusing upon the integral development of teachers.

Mission

To provide integrated courses in teacher education, marked and defined by value-education, global outlook, and interdisciplinary.

"Without continual growth and progress, such words as improvement, achievement, and success have no meaning". Benjamin Franklin

Established by the Government of Gujarat, through Gujarat Act No. 8 of 2010, Indian Institute of Teacher Education believes that its objectives are contributory in the propagation and progression of knowledge. The University is committed towards development of integrated courses in the field of teacher education. To educate and train a human resource for the country's development, to initiate appropriate measures for promoting innovation in teaching and learning, and for the improvement of the social welfare of the teacher, especially their intellectual, academic and cultural development.

Objectives

- To evolve and implement new programs of teacher education that would provide education and training to prospective teachers that aim at development of new integral development of teachers.

- To train prospective teachers based on globally benchmarked curriculum with ideas gleaned from the fusion of the intellectual traditions of India and the West.

- To equip teachers with the competencies requisite for dealing with the 21st century issues of the choices and challenges of students.

- To impart teacher training which enables the prospective teachers to see the obtaining world in the new light of universal human values.

- To promote the indigenous tradition of teacher-student relationship (Guru-Shishya parampara) in various fields of humanities, arts, crafts, sciences, technologies and yoga (psychological and physical education).

- To publish and disseminate results of advanced research relating to teachers' education for purposes of advancement of capacities to teach and learn among professional teachers as among parents, social educators and social workers.

- To promote national and international cooperation in teachers' education as also in the development of teaching learning material through online programs, documentaries, musical and dramatic programs and films.

- To undertake, conduct and promote any program that will enhance the highest aims of pedagogy and synthesis of knowledge-systems and internationalism.

- To foster in the University highest purposes of education of the body, life and mind as also of the human spirit in its integrity.

- To introduce and nurture innovations in the education system so as to reflect India's spiritual knowledge, robust intellectuality and inexhaustible creativity.

- To nurture teachers of tomorrow with the transformative knowledge of Indian tradition and usher in a new era of teacher education, focusing upon the integral development of teachers.

3.2 Best Practices:

3.2.1 Parents Teacher Meeting (B.A./ B.Sc., B.Ed, M.A./ M.Sc., M.Ed):

"Behind every young child who believes in himself/herself is a parent who believed first"   -Matthew Jacobson

Parent-Teacher meetings are provided with the best platform to discuss the academic growth of students and future development strategies for IITE.

Objective:

Learning is a complex phenomenon. A child faces difficulties in learning. The child faces mental stress and several identified and unidentified challenges. The holistic development of a child depends upon the hard work of the student, parent and teacher. These three stakeholders' integrated efforts give the best learning outcomes. Parent-teacher meeting covers the distance among three stakeholders. PTM opens a communication channel. Everyone is highly busy in his own task, profession and business. The parent is directly responsible for child progress at home and in the institute. In fact, it is necessary to develop a strong bridge between parent and educator. This helped to create the necessary consciousness among parents to stimulate their interest in the students and the university. They gave their viewpoints and suggestions regarding the university and its development.

Hon'ble VC sir has appealed to all the students to focus more on research and to publish their research papers in journals of national and International repute. Sir has also shown interest to recruit the students who are about to complete their last semester in the coming days.
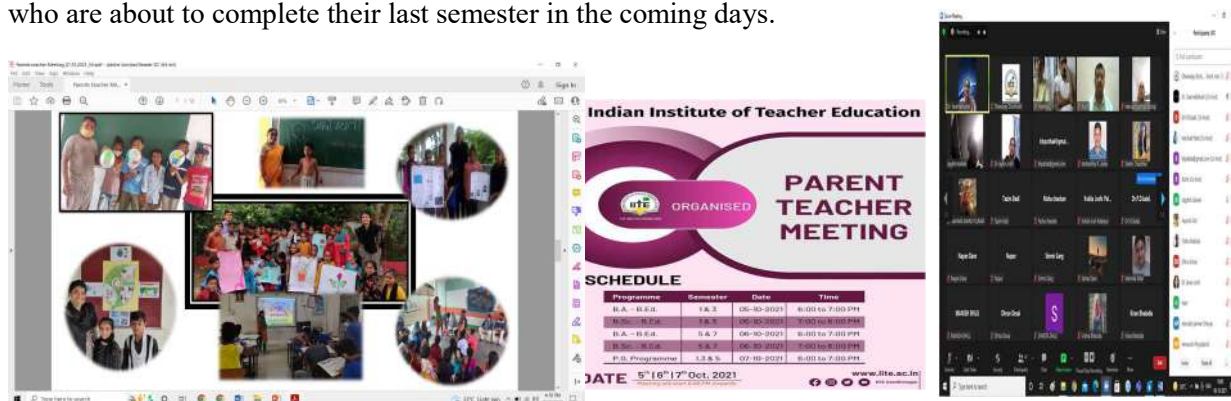

All the parents, Dean sir/ Madam and VC sir said that they are very much satisfied by the efforts made by faculty members of the Centre of Education (CoE), IITE for the 360^0 grooming of future teachers. Following feedback is received from parents during the meeting:

- Hostel facility to be needed during external exam 2020

- Parents appreciate the effort of all UG and PG semesters in-charge for showing their ward's overall achievement during the current semester

- Most of the parents were appreciate the teaching facility and guidance provided by the Faculty of IITE during the online mode

The Details of the PTM of three various academic programmes that took a place quarterly in a year during academic year 2021-22 are mention here in the given table:

Sr No	Details/ Titles	Duration
		Phase 1. 5th and 6th October , 2021

1.	**B.A., B.Ed.**	Phase 2. 18th December 2021
		Phase 3. 18th April 2021
2.	**B.Sc., B.Ed.**	Phase 1. 5th - 6th October 2021
		Phase 2. 16th - 18th December 2021
		Phase 3. 14th April 2021
3.	**M.Sc./ M.A., M.Ed.**	Phase 1. 18th June 2021
		Phase 2. 5th - 7th October 2021
		Phase 3. 20th April 2021

3.2.2. Assembly / Conclave:

Indian Institute of Teacher Education has received the national recognition by NITI Ayog for executing 'Best Practices' in 'Human Resource Development' sector in the country. Assembly Conclave is organized everyday by B.A.- B.Ed., B.Sc. -B.Ed., M.A. / M.Sc.- M.Ed., B.Ed.- M.Ed, M.Ed. students and faculty members of IITE as part of one of the best academic practices of the institute executed with the major objective of providing appropriate training platform to teacher educators for presenting their creativeness and talents which can lead to their integral holistic development.

Various innovative activities performed at Conclave by the students comprise of University Song, Musical Prayer, Personality of The Day, Educational Quiz, Skit, Treasure hunt, Celebration of Festivals, Gyan Ka Pitara, Research Review and National Anthem which not only inculcates cultural and ethical values but also develops deepest understanding regarding Indian tradition among students.

4. Student Support and Progression

4.1 Academic Accomplishments

Indian Institute of Teacher Education (IITE) is truly an academically elite university. The number of accolades our learners earned this semester indicates the quality of education imparted by IITE. As we are aware that prospective teachers need to qualify for the Central Teacher Eligibility Test (CTET) for ascertaining their eligibility to work as teachers in central government schools namely, Kendriya Vidyalaya, Sainik Schools, and Navodaya Vidyalayas. This is indeed a proud moment to share the heartening news that 39 students (UG Sem-8 and PG Sem-6) from the Centre of Education cleared the CTET exam, declared on March 2nd, 2022. Also, three PG students qualified National Eligibility Test (NET). Out of which two got JRF along with NET. Additionally, 9 students qualified GSET (education) examination held on 23rd January. Out of which 3 students were from PG-4, 1 from PG-6 and 5 were Ph. D Scholars.

List of students who qualified CTET exam, UGC NET-JRF and GSET examinations are given below:

The department initiates Faculty Development Programs, Educator's Executive Programs, and Professional development workshop for Universities and College Administrators.

FACULTY DEVELOPMENT PROGRAM FOR INDRASHIL UNIVERSITY FACULTIES

24

Two days faculty development program was organized with faculties of Indrashil University on 9/10/21 and 16/10/2. The training was inherited to enable the stake holders with the current scenario of Teaching Learning process. The two-day workshop covered the topics like:

- Neuro Linguistic Program,
- Pedagogy of 21st Century,
- Transactional Analysis,
- Research in Classroom,
- National Educational Policy and Higher Education,
- Action Research
- Assessment & Evaluation

FACULTY DEVELOPMENT PROGRAM FOR GUJARAT STATE TRIBAL EDUCATION SPONSORED EKLAVYA MODEL RESIDENTIAL SCHOOL TEACHERS' TRAINING (2 BATCHES)

Eklavya Model Residential School (EMRS) Training was conducted in two batches for 21 days each. The schedule of the training was as mentioned below:

Batch	Date	No. of participants
Batch 1: Teachers of Math's and Science	22/11/2021 to 11/12/2021	57

The residential training program for Gujarat State Tribal Society school teachers, a faculty development program was organized to enhance their skills, expertise and upgrade them for better educational prospects.

The major objectives of the training program were:

i. To promote EMRS school teachers to help Gujarat State Tribal Society to modify the course curriculum from GSEB board to CBSE Board.

ii. To advocate EMRS school teachers for enhancing skills and reallocate to English medium schools from Gujarati Medium Schools.

The topics curated for the Faculty Development Program were:
- Communication Skill.
- English Content.
- Inclusive Education.
- Personality Development
- STEM Education.
- Life Skill

25

- TiE & DiE
- Sociometry
- Motivational Skills.
- Embrace Change.
- Domains of CBSE.

The education, training and development goes beyond the classroom walls and therefore the participants were exposed to the field visits to Polo Forest, Gandhi Ashram, Vidhan Sabha and GCERT. The training was an amazing blend of theory, field visits and cultural exposure in the form of Youth Festival by the students of IITE.

The second batch of the faculty development program witnessed and were part of a very valuable discussion on National Education Policy with emphasis on National Professional Standard for Teachers and National Mentoring Mission.

The feedback of the training was resplendent with contentment of what the institute wanted to provide with the exposure, training and skills to the participants. The participants were in mixed emotions with a feeling of contentment and satisfaction from the training provided to them by Centre of Training.

1.   Ahmedabad Heritage Walk

The overall objective of the program was to explain the cultural as well as historical importance of heritage to the students and to acquaint them with the various processes of its enrichment in the present context. Today Ahmedabad or other cities are becoming modern, but there was a time when our cities were contained in half. Today, people are living outside pol, but pol has been preserved as a heritage. Today's young people do not know much about pol culture. To know and see that, a 'Heritage Walk' was organized, which started at 08:00 in the morning from Kalupur Swaminarayan Temple.

Starting from Kalupur Swaminarayan Temple, we saw the statue of poet Dalpatram in Lambeshwar Pol, Calico Dome, Kala Ramji Temple and Shantinathji Temple in Haja Patel Pol, Doshiwala Pol, Zaveri Vad, Chaumukhji Pol, Sambhavanath Khadki, Chandla Pol, Muhurta Pol, Khara Kuvani Pol, etc. A lot of new information was received. It is worth taking such a trip to understand the splendour of our heritage.

The 'Heritage Walk' was a unique experience where students and faculty could get good exposure of the heritage. The credit for making the Heritage Walk a success goes to Mr. Kapil Thaker, editor of Atulya Varso and his team.

2.   Ambapur Stepwell Visit:

A visit to Ambapur Stepwell for the students of Centre of Education, IITE was scheduled on 5th December, 2021. The students also had a chance to interact with experts on heritage, like Dr. Y.S. Rawat, Former Director, Archaeological Department, Govt. of Gujarat and Shri Kapil Thaker, Editor-in-Chief, Atulya Varso magazine. The visit was well received and motivated further with the graceful presence of Dr. Harshad A.Patel, Hon. Vice-Chancellor, IITE. The visit was organized by Dr. Deep Trivedi, Head, Dept. of Languages and Indian Culture.

3.   Dholavira: Amulya Varso

To celebrate and appreciate the declaration of Dholavira as a UNESCO World Heritage site on 28/07/2022. A talk with 03 experts Shri Kirti Khatri, Dr. Y.S.Rawat and Shri Kapil Thaker in the presence of Hon. Vice-Chancellor, Dr. Harshad A.Patel was shared live on facebook.

4.   Ashadhi Avtar, Kutchch Shakshatkar:

Ashadhi Bij is famous as Kutchchi New Year. To celebrate the event by reaching between the people of Kutchch, the Dept. of Languages and Indian Culture organized this programme at DIET Bhuj.

Dr. Deep Trivedi, Chairman, Department of Languages and Indian Culture introduced the program outline and objectives. The main speakers, Mr. Kirti Khatri, Mr. Haresh Dholakia and Mr. Mavji Maheshwari talked about the culture of Kutchch, society, black sequence and heritage of Kutchch writers, literature types and language diversity and presented a vignette of Kutchch to the present invitees and brought Kutchch revelation. Padmashri Narayanabhai Joshi, who has been conferred with the highest award like Padmashri for the promotion of Kutchhi language, in a special presence to applaud the purpose of the program, delivered the benediction.

He also stressed the role of Teachers' Education Institutions and teacher educators in the successful implementation of the policy directives.

The honourable speaker of the program was Shri. Atulbhai Kothari, National Secretary, Shiksha Sanskriti Uthan Nyas, New Delhi. He addressed the audience and called upon the teacher educators to be committed and devoted to the path paved by NEP 2020.

Shri Atulbhai Kothari, while emphasizing the need for implementation of National Education Policy, shared three major concerns as needful;

1) Promotion of Indian Languages, and in particular emphasis on maximizing the use of mother tongue in the process of not just school education but also higher education,

2) The role of teacher education, as a formal discipline, in the implementation of National Education Policy and,

3) Restructuring of the whole education system in the Indian context, validating the values as the very source of generational change.

The program was coordinated by Prof. Divya Sharma, Head IQAC and Dr Haresh Barot, Prant Sanyojak, SSUN, Gujarat Chapter.

The program ended with a question-answer session on a positive note.

Professional Ethics among Faculty and Staff: Code of Conduct

Date: 18th December 2021

Internal Quality Assurance Cell (IQAC), Indian Institute of Teacher Education, Gandhinagar organised a Webinar titled, 'Professional Ethics among Faculty & Staff: Code of Conduct on 18th December 2021. Forty-One registered participants viewed the live program. The Coordinators of this programme were Dr Kunjan Shah, IQAC Member & Mr Amit Shingala, Asst. Registrar, IITE.

Dr Kunjan Shah addressed and welcomed the eminent speaker & all the audience with a meaningful message on why the Code of Conduct is very important for an employee of any organisation. Eminent speaker - Dr Kiran Parmar, Former Professor, L D College of Engineering, Ahmedabad highlighted the perspectives of the Code of Conduct from the point of view of IITE. He said that a code of professional ethics is a set of customs that outline an organisation's mission and values. A page on an employee handbook will often list rules for behaviour to help employees conduct their business with honesty and

integrity. A code of ethics acts as a model of moral standards that employees should comply with the same. It ensures that every individual is personally accountable for his or her actions and their treatment of others.

At last, the vote of thanks was given by Dr Divya Sharma, Head, IQAC, IITE.

PAR – NCTE: Staff Profile Endorsement

As per provision of the NCTE Act, 1993 and NCTE Regulations 2014, Performance Appraisal Report (PAR) is required to be submitted annually by the existing Teacher Education Institutions (TEIs). NCTE issued notice on 22.09.2021 directing all TEIs running NCTE recognized Teacher Education Courses to file online PAR for academic session 2020-21. Centre of Education submitted this PAR in due time. All affiliated colleges except 02 colleges filled online PAR in due time. Academic Branch informed all colleges about notice from NCTE for PAR submission and notice for extension of dates. Branch also helped colleges to solve their queries regarding submission of PAR. It was mandatory to submit copy of duly University approved staff profile for PAR. Academic Branch verified staff profiles submitted at University by various colleges and completed the process of attestation of these profiles.

All India Survey on Higher Education – AISHE:

Due to COVID pandemic during last two years, AISHE was not carried out for that period. But this year, AISHE portal was opened and data was invited for the year 2020-21 during December, 2021. The last date for data upload was 31.03.2022. This year, method and process was changed for the AISHE portal. The whole process was in online mode. Academic Branch collected data for the University and compiled it. Dr. Madhusudan Makwana, AISHE Nodal Officer of the University uploaded data on the AISHE portal before due date.

Academic Branch also informed and motivated all 59 affiliated colleges to participate in AISHE and upload data on AISHE portal. Branch helped various colleges in registration and trained staff of these colleges for data uploading. Online workshops were organized zone wise for training of AISHE data compilation and uploading by the AISHE Gujarat State Nodal Officer. All affiliated colleges to IITE uploaded data on AISHE portal before due date.
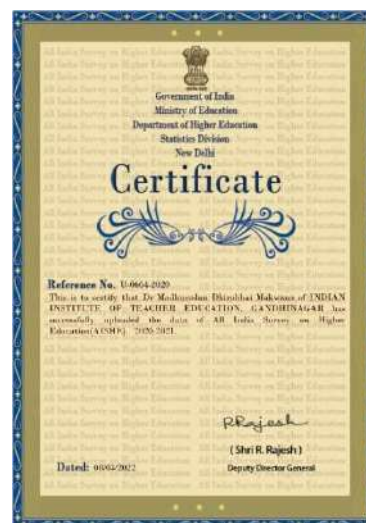

Public Grievance Portal - CPGRAMS:

Responding to applications received at Public Grievance Portal (Centralized Public Grievance Redress And Monitoring System – CPGRAMS) is an important task assigned to the Academic Branch. Dr. Madhusudan Makwana, Deputy Registrar is working as a Nodal Officer for CPGRAMS. During this year, 10 applications were received on Public Grievance Portal, 9 grievances were attended and disposed as per the rule.

Estate Branch

This branch of IITE is carrying out work to create and maintain physical assets, furniture, infrastructural, security, housekeeping, transportation, gardening and other logistic works related to the University and Hostel campus. Also branch supports the other braches who are allotted various tasks in IITE for upliftment of University.

The following works and activities were carried out by the branch during year july-2021- to jun-2022.

(1) Drilling of Tubewell

(2) Building Repair and Renovation Work

(3) Ground Cleaning & Plantation

(4) Making the Swimming pool Operational

(5) Parking and Cycle stand

(6) Solid Waste Management

(7) Boundary wall fencing

(8) Class Room Arrangement

(9) Fire safety

(10) Deadstoke Verification

(11) New Campus plan & Design

(12) Environmental, Energy and Green Audit

1. **Drilling of Tubewell:** Due to the scarcity of water for domestic and cleaning purpose during the summer season, Estate branch was tasked to establish a new water source by drilling a bore. After getting approval of university authorities, the task of drilling the bore was given to GWSSB which is a government body. The size of bore was decided as per the advice of government hydrologist. The size of the bore is 250 meters deep and 0.25 meter wide. The drilling of bore has been successfully completed.

2. **Repair and Renovation work: -**

    Indian Institute of Teacher Education University was visited by 12B and NAAC peer review team due to which repair and renovation work was required.

    (i) Class room 111 & 114 renovation: Classroom number 111 & 114 had old and weak flooring therefore to match all the other class rooms the flooring in these rooms was demolished and new flooring was constructed.

    (ii) Colour work: Due to the visit of 12B and NAAC peer review team colour work was majorly necessary in the building as the building is 41 years old. The main gate, Front exterior of the building and almost all lobbies and classrooms were in need of colour work. Therefore estate branch was able to successfully complete this task.

3. **Ground cleaning & Plantation :-**

    (i) Ground Cleaning: The campus land allotted to IITE is around 45600 Sq.mt. of area, where different outdoor games, competition & celebration of National festival are organized for the physical and mental development of the student. Therefore the levelling and cleaning of the ground has done time to time.

95

(ii)   **Plantation: -** The campus land which is allotted to IITE has a green area of 35745 Sqm in which fertilization process and installation of lawn was necessary. During the celebration of world tree plantation day, different types of trees were planted.

4.   <u>**Making the Swimming pool operational:**</u> The Indian Institute of Teacher Education completed the construction of the swimming pool in the year 2019, Due to the pandemic swimming pool was not operational. As the NAAC peer review was scheduled to visit the university, making the swimming pool operational was necessary. The Estate branch was tasked to make the swimming pool operational, which was successfully completed before the NNAC peer review team. After the visit of the NAAC peer review team the swimming pool has been operational and regularly maintained.

5.   <u>**Parking and Cycle stand:**</u> There are approximately 900 students at IITE and out of those 200-250 are come with the bike and 50-60 with the cycle, The Estate branch was instructed to create a parking space for both 2 wheelers and cycles, Therefore a cycle stand and 2 wheeler parking area has been created near the security cabin and main gate.

6.   <u>**Solid Waste Management:**</u> Waste Management is considered highly important in the current era, Hence IITE take initiative towards zero waste policy, with primary segregation method whereas solid waste is divided into 5 categories (Plastic, Cardboard, Waste paper, Iron, Glass, Wood & Plastic Bottles). The Estate branch has also created a 2 nos. compost pit in which (bio degradable) waste is deposited every week and fertilizer is manufactured quarterly. That segregated waste materials is then sold to different vendors to help generate revenue for the university.

7.   <u>**Boundary wall fencing:**</u> The Indian Institute of Teacher education has 3 sides open in its periphery which is utilized by tree plantation. To protect the trees in that area, the Estate branch has fabricated a fencing around it. And to further protect the campus a new fencing on the compound wall has also been fabricated.

8.   <u>**Class Room Arrangement:-**</u> As the number of students keeps increasing in the campus the estate branch was instructed to increase the number of classroom in the building. Estate branch was successfully in creating 3 new classrooms in the building and provide the furniture for the same.

9.   <u>**Fire safety:**</u> The main building of IITE has a total height of less than 15 meters, Therefore, there is no need to establish a fire protection system. Although the estate branch has installed fire sensors in all rooms and provided various types of fire extinguishers in the campus to help protect the staff and students in case of a fire incident.

10.   <u>**Deadstoke Verification:-**</u> The Estate branch is incharge of handling all the building assets and maintaining a deadstock register for the same. In this the estate branch has invited the dead stock verification committee for the verification of the university dead stock.

11.   <u>**New Campus plan & Design:**</u> The main building of IITE has been allotted by the Govt. of Gujarat and the building is 41 years old. Therefore construction of a new building is necessary. The estate branch had invited architects via tender process for the design of a potential new campus. Estate branch has then selected Kakani Associates as the architects for the same and MOU with the agency has also been done.

12.   <u>**Environmental, Energy and Green Audit:**</u> The university authorities had instructed the estate branch to get various audits for the NAAC peer review team. The estate branch has asked various agencies to conduct Environmental Audit, Energy Audit and Green Audit for the use and sustainability of the campus. As per their recommendation the estate branch has installed 30 sensor based light systems in all common areas and installed 13 solar lights all around the campus to make it even more sustainable.

Student Support, Culture and Welfare Branch

1. <u>10th Youth Festival 'Kalakunj-2021'</u>

The Indian Institute of Teacher Education - IITE is committed to the holistic development of future teachers through teacher training. 'Kalakunj', the youth festival of IITE is organized with the noble purpose of developing true understanding of art, culture, literature and music among the youth. As the National Education Policy-2020 places special expectations on teachers, it is imperative that future teachers gain diverse experiences in all those areas. If innovation, creation and culture are integrated into the curriculum and the underlying academic and co-curricular-cultural activities, teacher training becomes meaningful.

The 10th Youth Festival 'Kalakunj-2021' was a unique program to showcase various arts, skills and abilities for the youth. More than 1200 participants from a total of 52 institutions were registered in Kalakunj-2021. The youth festival started with zone level competitions. In this phase various competitions were conducted via an online system. In this phase, 27 different competitions were held in 5 zones on 23-24 November in which a total of more than 1200 participating youth showed their talent and skills.

Taking into consideration the first three ranked winners from each zone per competition, as many as 1060 participants participated in the main 10th Youth Festival Kalakunj-2021 to be held on November 26-27, 2021 at IITE, Gandhinagar.

Kalakunj-2021 began with an inaugural ceremony on Friday, November 26, 2021.

In the inaugural program, there was a triple confluence of art, culture and technology. The program was chaired by Hon. Vice-Chancellor Dr. Harshadbhai Patel, Other dignitaries were Dr. T S Joshi (Director, GCERT), Mr. Anilbhai Chavda (Poet and Writer), Mrs. Aditiben Desai (Play writer and Director), Dr.

97

Nalin Pandit (Former Director, GCERT), Dr. Sudhir Tandel (Organizing Chairman) and Dr. Mehul Dave (Organizing Secretary) graced the stage.

The inauguration ceremony was meaningful in the presence of around 1060 students from various colleges, principals and professors of colleges affiliated to the university.

After the inaugural program, the Youth Festival-Kalakunj:2021 officially started in which 27 competitions were held in 6 sections namely Music, Literary, Fine Art, Theatre, Music and Dance. Under the direct guidance and management of IITE professors, elaborate planning of appropriate stage, arrangements, assistants, equipment for the competitions kept the competitions moving. All the competitions received the services of nominated and experienced expert judges of the respective subject and field.

The valedictory program was held under the chairmanship of Hon. Vice Chancellor Dr. Harshadbhai Patel. Vice Chancellor of Saurashtra University Dr. Nitinbhai Pethani, registrar Dr. Himanshu Patel, Organizing Chairman Dr. Sudhir Tandel and Secretary Dr Mehul Dave graced the valedictory ceremony.

As a part of the prize distribution, all the winners were encouraged by giving certificates and prizes. All the youth expressed their satisfaction and happiness on the completion of the festival-Kalakunj:2021.

2. Cycle Rally

29th August is celebrated as National Sports Day across the country, IITE's Student Support Cultural and Welfare branch organised a cycle rally as part of Azadi Ka Amrit Mahotsav on the day before National Sports Day. It was a perfect day for an early morning cycle ride. Several people gathered at the Raj Bhavan to spread awareness about patriotism, about health and hygiene.

Young teacher trainees, faculties and other officers of university, donning t-shirts and tri colour balloons tied to their cycles, woke up early and reached the Rajbhavan circle to participate in the rally. Total 75 Cyclist participated in this rally to celebrate 75 years of independence of India.

The Flag off program was arranged near Rajbhavan main entrance gate. Beautiful wall decoration was done near venue displaying various freedom fighters and martyrs of Indian independence movement.

Honourable Governor of Gujarat and Chancellor of IITE Shri Acharya Devvrat ji gave consent to remain present in the program and

98

motivate the participants. The program begun at 7 a.m. by incidental welcoming Hon. Governor with flower bouquet by Hon. Vice Chancellor Dr Harshad Patel. Registrar Prof. H.C. Patel presented welcome flowers to Hon. Vice Chancellor. Hon. Vice Chancellor Dr. Harshad Patel gave an incidental speech and narrated various initiatives of IITE for celebrating Azadi Ka Amrit

Mahotsav. Then Hon. Governorshri gave quite a motivating address and discussed the need of down to earth approach for students of university. He also explained the importance of health and fitness to all the participants. Flag off was given by Hon. Governorshri along with Vice Chancellor and Registrar. The inauguration program was hosted by Dr Mehul Dave, Head, Student Support Cultural and Welfare

branch, IITE.The route of the cycle rally was of altogether 10 Kms from Rajbhavan to IITE Campus via various locations in Gandhinagar City. The traffic police had cleared the roads and made way for the safe passage of the rally.

The participants' cycles were decorated with tri colour balloons on their handles. Arrangements of water, first aid kit, air support, mechanic support and pick up support were made by the organizing committee. Hon. Vice Chancellor led the rally with

a cycle along with Registrar, teaching staff and various officers of university. The cyclists reached to IITE campus after completing the exciting cycle ride where Hon. Vice Chancellor motivated them by kind and inspiring words. After spending a substantial energy all were invited to have delicious breakfast along with tea and coffee.

3. Har Ghar Tiranga Campaign :

IITE undertook enterprise of spreading the spirit of patriotism by Har Ghar Tiranga Campaign in Gandhinagar

The Indian National Flag is a symbol of national pride for the entire nation. To further honour our flag, the Hon'ble Prime Minister of India under Azadi Ka Amrit Mahotsav has inspired all the countrymen to participate in the campaign 'Har Ghar Tiranga'. It envisages inspiring Indians everywhere to hoist the national flag at their home.

'Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence.

Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building, The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and promote awareness about our national flag.

Indian Institute of Teacher Education, also known as Teachers' University, being the only Teacher Education University of its kind in entire South Asia, had undertaken enterprise of spreading the spirit of patriotism among entire Gandhinagar city and all the citizens of it on the occasion of coming independence day.

Har Ghar Tiranga Campaign of IITE, Inspired by Hon. Vice Chancellor, IITE Dr Harshad A. Patel and organized by Student Support, Cultural and Welfare Branch of the university involved all the stakeholders of university including all the students and staff members. As a part of campaign students propagated the spirit of patriotism through social media posts in the form of video messages.

From 2nd August to 10th August all the students of the university in a group of 100, visited various sectors of Gandhinagar Municipal Corporation area as a flag march rally. Total 900 participants including 800 students, 64 teaching faculties and 36 admin staff members and other patriots went to 30 sectors of Gandhinagar in a group of 100 and tried to spread awareness about Har Ghar Tiranga among Gandhinagar citizens.

NSS volunteers and NCC cadets along with faculty members and administrative staff led the rally and motivated people to hoist the tricolour in their homes.

3. Cycle Incentive Project :

IITE SSCW branch promoted students to use a bicycle as a means of transportation by giving an incentive of Rs 2000/- for regular usage of a cycle to arrive at campus. Bicycles improve health, ease congestion, save money, use less space, and provide efficient transportation with zero fuel consumption and zero carbon emissions. A total of 38 students were provided the incentive of Rs 2000/- for regular usage of the cycle. This project helped popularize the use of the cycle for environmental and health benefits.

4. Cultural Evening was organized for UGC 12B Team visit on 14th May 2022

5. Cultural Evening named Avsar was organized for NAAC Peer Team Visit on 12th July 2022.

Dispatch- with Perfect Tracking Mechanism

The year 2021 rises with revolutionise in the dispatch mechanism. IITE has made an MOU with the Indian postal Department under the Book Now Pay Later (BNPL) scheme of the department. In continuation of that, this year, the fresh MOU has been made with postal department

The scheme covers easy dispatch ways which enable us to bypass the booking counter with heavy rush; where we have to deploy staff at the counter with pay in cash the charges each time at the post office. The scheme enables us to save time and manpower with a perfect tracking mechanism with smooth functioning of dispatch.

The Nos. of dispatch article made during the year; 2021-2022:

Inventory Stock on a Click

The Utility Department has to procure and manage the stationery items consumed at every department of IITE. The department procures the stationery items quarterly; as per requirement, vide bid on GeM portal as per direction of Government.

Moreover, the department has developed a simple In-house computerized system for inventory of the stock on a single click. The system helps the department to operate with easy stock management of stationery items and fetch the data for annual Stationery Stock Verification to be done within stipulated time.

Examination Branch

Every year university is conducting semester end examinations for various regular programs run by the university twice in a year and for the smooth conduction of the examination following various committees are formed according to ordinance and regulations of the University.
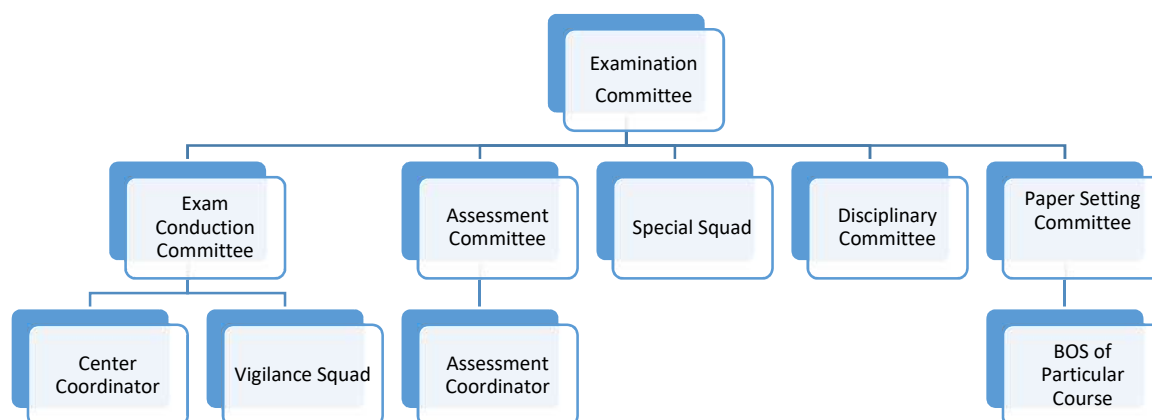

Examination department is doing the extensive use of the ERP for the various tasks related pre examination, post examination and during examination processes like exam form configuration, processing of the result, to get various reports from the system for smooth conduction of examination and for the easy understanding of the working of ERP, examination department provides help manuals to various stack holders like students, colleges, center coordinators etc.

Students need to fill the exam forms online and no need to visit the University as complete process is online through ERP, download the hall ticket, view the result and download the same, apply for reassessment and rechecking through ERP.

Colleges are able to upload the Internal and External Marks directly into the system and mark their students eligible/ not eligible to fill the examination form based on regulations of the university, view

This approach seems novel in current era, but if we look at the ancient education system than we will find that in ancient time evaluation was done using method of Oral Examination only.
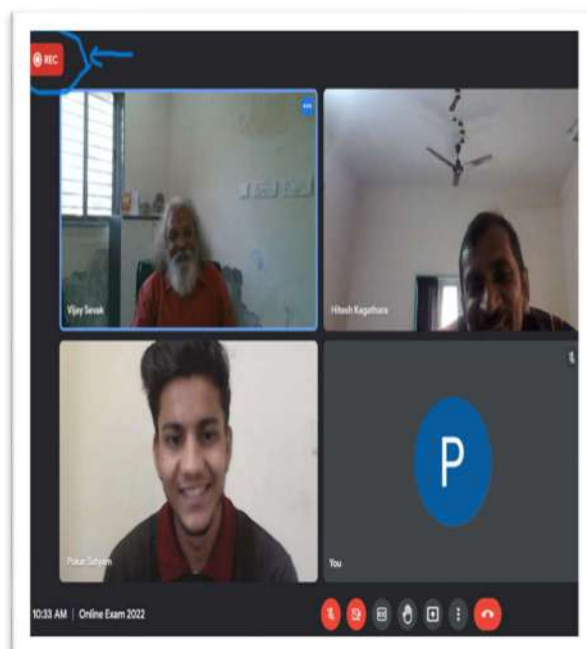

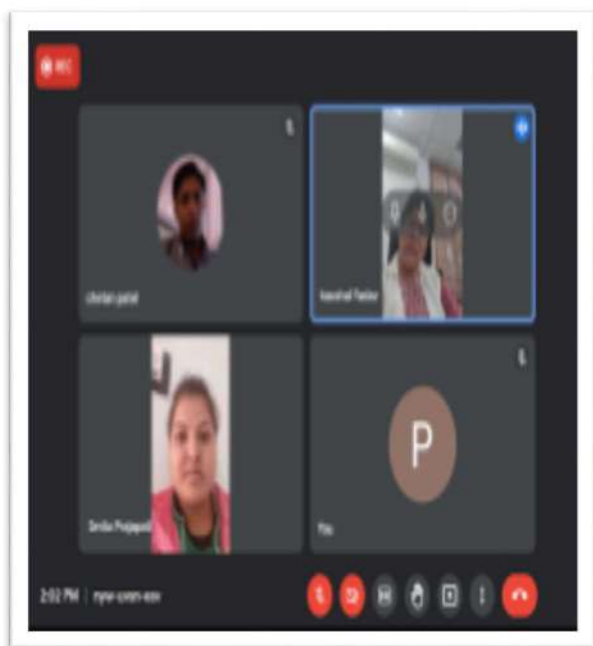

Batches of 12 students for each subject and course were formed and time of 30 Minutes each were allocated to each student for their evaluation for particular subject through Online Medium. To evaluate the subject knowledge of the student, panel of 2 examiners were formed, during allocated time to the students, examiners evaluated their subject knowledge by asking questions from the topics of the Syllabus. At the end of the day, each examiner use to upload the Mark sheet in provided link of Google Form by the Examination Department.

As it was a first time experience for the students to appear Online for Semester End Examination so to explain the process of Online Oral Examination and to address the queries of students, IITE organizes a special talk on 22nd January, 2022 through, Shiksharth- Initiative of Curriculum Transaction by IITE, with Prof. Bharat Joshi, Senior Professor, Gujarat Vidyapith, Ahmedabad and Prof. Jayna Joshi, Center of Education, IITE. Similarly to brief the examiners about the process and to solve their queries

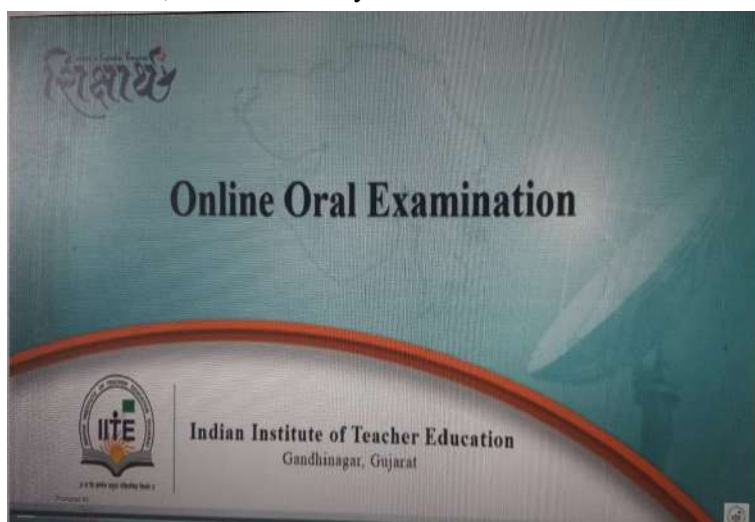

examination department conducted Online Meeting for all the Examiners and also provided the Guidelines for Students and Examiners during the Online Oral Examination time to time.

During Online Examination Conduction, to deal with any technical issue and to provide the support to the Examiner and Students, team of dedicated technical support was formed at IITE and member of that team guided Examiner and Student, in case of any difficulty face by them. Technical team also make sure that each google meeting hosted for conduction of examination get recorded.

117

Online Exam Screenshot
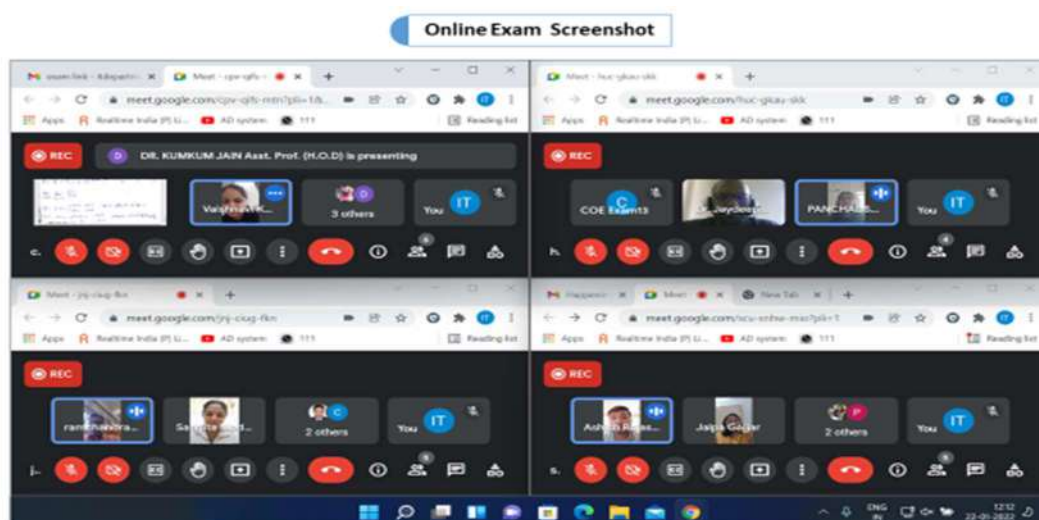

In this examination like the normal theory examination, option of Reassessment is open for the students so in case student is not satisfied by the marks scored by him/her in particular subject they can apply for the Reassessment and based on the available recording of the examination, Reassessment process will be completed by the University.
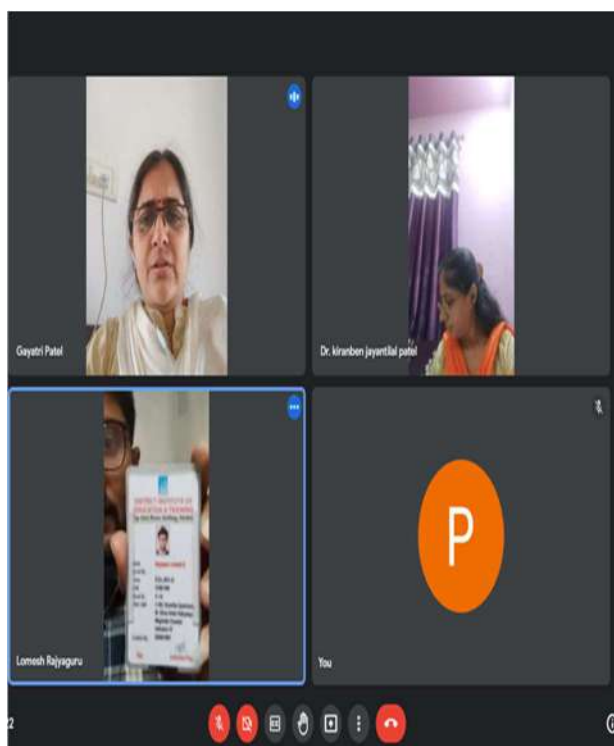

Based on overall experience of this examination, it is found that in this method of examination, Universities are able to evaluate students in better way compare to other methods of evaluation exist as here examiner are having a chance of viewing the student expressions/emotions through video meeting and also able to motivate the students for better performance. There is less chances of unfair means in this method as student needs to keep the Video on from their device while attempting examination and need to show the photo identity proof online to the examiner before starting of the examination.

Prof. Viral Bharatbhai Jadav, Associate Professor, Center of Education, IITE prepared the Article on "Online Oral Examination: An Initiative by the Indian Institute of Teacher Education" and it got published in Vol. 60, No. 8, February 21-27, 2022 (ISSN-0566-2257) of University News, A Weekly Journal of Higher Education.

May – 2022 Examination

University Conducted Theory and Practical Examination for even semester in the month of May-June 2022 at all the 59 affiliated colleges and Center of Education and University allocated respective college of their study as examination center to them. During this examination question papers to all the affiliated colleges were delivered using two way authenticated Question Paper Delivery System to all the affiliated colleges and evaluation work was performed by respective college faculties for their students at college itself as per the instruction of the University.

118

To make the process of evaluation transparent, evaluated answer books were provided to the students to view in presence of university representatives on 01-06-2022 at all 59 affiliated colleges and in presence of representatives students viewed their evaluated answer books and due to that student got the chance to understand the evaluation work performed and also mistakes made by them in particular paper so in one way this process was like rechecking at student end.

Publication and Public Relation Branch

PPR branch holds a great importance in any institute as it is this very branch that shapes institute's reputation. Communication, if not paid enough attention to, can ruin the image of a place or person. Hence, for all the institutes, Public Relation departments are given the responsibility to carefully curate the content that goes to all the stakeholders. Indian Institute of Teacher Education (IITE) also has a separate Publication and Public Relation branch aka PPR branch to handle all the media interaction and to ensure that the image of the university is aptly formed. IITE recently completed 12 years since its establishment and the occasion was celebrated with great enthusiasm and vigour on 30th June, 2022. In these 12 years, university has worked with utmost passion for producing the best quality teachers who can match international standards of teaching. PPR branch has played an instrumental role in making IITE what it is today. From coming up with interesting initiatives to publishing university's events on digital media platforms, PPR branch has always taken the charge of ensuring smooth, clear and continuous flow of information from the university to its stakeholders.

Contributions:

- **12th Foundation Day:** PPR branch has massively contributed in the event of 12th foundation day. From branding to designing and promoting, it had worked in every aspect for the event. Making posters, creating and finalizing design, setting up hoardings, and social media coverage were among the many activities PPR branch contributed in.

- **Social media coverage**: In this digital era, it is of prime importance to show your work on digital platforms. PPR branch ensures that social media pages of IITE give timely updates of the events undertaken within and by IITE. PPR Branch also posts students' achievements. For that, it collects and filters the data.

- **Media Communication**: PPR branch takes the responsibility to make press notes of all the crucial events that take place within and outside the campus for getting coverage in various news outlets.

- **Sutirth:** The department releases a monthly magazine named Sutirth for teacher educators and trainees. The magazine includes the brief of events that took place in that month, and other students and education centric articles.

- **Chanakya** – PPR branch contributed in the designing of the brochure and provided creative inputs in the trophy of the award.

- **Resolution of 10 books and 100 research papers** – PPR branch has taken the responsibility to fulfil one of the resolutions taken on 12th foundation day by honorable Vice Chancellor of IITE, Dr. Harshad Patel. All the faculty members of IITE are regularly communicated to work towards this direction.

- **Flyers and Posters**: To post on festivals and other occasions, creative and effective posters and flyers are made by PPR department.

Designing and publication of IITE's communication material: PPR branch has published numerous material throughout the year. The list includes brochures, booklets, calendars and other items. Apart from that, the branch has designed various posters, flyers, banners, and certificates. The list of these items is mentioned below.

- Best Practices brochure- Angira, Shiksharth, Teachers' tune

- Certificate course booklet

- IT policy 2020-21 Book

- Brochures of all programs and centres

Publication department has contributed significantly in some events, which are as below:

1. National Seminar - Nipun Bharat: PPR branch handled the branding, designing and social media coverage of this ICSSR sponsored two-day national seminar.

2. 12th Foundation day of IITE: PPR branch played a pivotal role in the event by handling designing, branding and social media coverage.

3. Consultation workshop: From banner-making to certificates and other designing aspects, PPR branch covered it all.

4. 10th Youth festival: Designing, branding, and social media coverage of the whole festival was managed by PPR branch.

5. 10th Sports meet: Designing and branding part of the meet was dealt by publication branch.

There are also some **other tasks** which were performed by PPR branch. They are listed below.

- Acquiring ISBN numbers for 3 books.

- Designing and framing of educational quotes.

- Framing work of 12 Vidyapiths namely Valabhi, Kashi, Mithila, Ayodhya, Goonsheela, Nalanda, Takshsheela, Jagaddal, Navadvip, Kashi, Vikramsila, and Nagarjuna.

- Institute name written in 17 languages during NAAC visit.

- **Advertisements**: IITE ads were published in 4 news outlets: Gandhinagar Samachar, Jivan ek Utsav, Sadhana, and Panchtantra.

Shree Kireet Joshi Library

About Library:

Shree Kireet Joshi Library, the Central library of IITE Gandhinagar, is located on the first floor of the main campus and is an easily accessible place to readers. The aim of the library is to facilitate the creation of new knowledge through the acquisition, organization, and dissemination of knowledge resources and providing for value-added services. Timings of the library are from morning 8:00 a.m. to evening 8:00 p.m. Library is fully air-conditioned with a reading area of 100+ sitting capacity and separate space for group discussions. The library is enriched with a precious collection of 13200+ Books and other resources like journals, magazines, Ph.D. Thesis, Dissertations, Textbooks, Reference Books, General Reading Books in English, Hindi, and Gujarati Languages, Special Collection for Competitive Examination (NET/SET/TET/TAT) and Research, Psychological Tests, Reports, Survey Reports, etc.

The library is fully automated and offers the following;

Library Automation (RFID):

The library is fully automated with RFID technology integrated with LMS- SOUL 3.0 and each of the functionalities such as Book Circulation, Stock Management, Library Security; Library Users Management, etc. are being carried out automatically without human intervention. For RFID service, Library has the following support services:

- **KIOSK**: Self-book check-in and checkout system through RFID

- **Drop Box**: Students can return the book in the drop box placed outside the library and take a receipt of depositing the book as well as receive the automatic mail alert in the mailbox.

- **Tag Tracker**: It tracks in and out time spent by the users in the Library. It maintains real-time statistics for library users.

- **Security Gate**: It is an antitheft security gate placed at the main entrance of the library to ensure the security of library books. It alerts if the unissued book/library resource is taken out of the library without proper processing. It is also monitoring the footfalls of every user.

- **RFID Printer**: It prints RFID Smart cards for library users. Users use this card during the in-time-out time and issue-return of the books.

- **Hand Handler Machine**: It is used for stock verification and transferring inventory of the library.

- **Staff Station**: It is placed at the Circulation counter and used for processing Library Resources for RFID. All library operations can be carried out by library professionals through this device.

- **Camera**: It is used for capturing photos of library users to be inserted in creating the RFID smart cards of the Members.

- **Pen:** is used for inserting signatures of the member in the smart card.

Electronic Library Management and Automation:

For smooth and speedy functioning of library management and organization, the latest version of SOUL 3.0 is used which is provided by INFLIBNET Centre. RFID technology is integrated with the library database of SOUL 3.0. The library purchased SOUL 2.0 (Full Edition) on 2 January 2013 and upgraded

to the latest launched edition on 21 May 2021. To date, 13200 Bibliographic records of books are maintained in this database. SOUL software is compliant with international standards for bibliographic formats, networking, and circulation protocols.

Plagiarism Check Services:

The Union Ministry of HRD has launched the Plagiarism Detention Software (PDS) "Shodh Shuddhi" project. This service is being implemented by Information and Library Network (INFLIBNET) an Inter-University Centre (IUC) of UGC which provides Ouriginal (Formally URKUND) Plagiarism Detection Software (Provided by Ms Prio Infocenter AB, Sweden; Indian Partner: eGalactic) to enhance quality and prevent plagiarism in research/academic publications. Universities in India who have signed MoU with INFLIBNET Centre, get the software free of cost from INFLIBNET Centre. Indian Institute of

Teacher Education, Gandhinagar has signed MoU with INFLIBNET getting the software at free of cost from INFLIBNET and has taken the initiative to provide "Ouriginal" user account to all its Faculties of the University. As part of UGC and NAAC directives on research ethics and originality of research, IITE follows UGC and NAAC guidelines in detecting plagiarism in research by checking all research dissertations of the University (Ph.D., M.Phil dissertations) through the URKUND software. When a document is submitted to Urkund, it is compared to sources online, alongside our multiple academic databases, and also previously submitted documents. The most relevant sources are then singled out and presented in the analysis report, which will show a detailed view of how many paragraphs could be matched against these sources, as well as how significant these similarities are.

Chanakya Awards-2022

One of the five resolutions made by Vice Chancellor, IITE on the occasion of 10th Foundation Day of the University is the declaration of Chanakya awards for teacher educators. As per Regulation no. 62: Academic Awards, the Chanakya Awards are declared every year. Academic Branch is entrusted responsible for the process of this award. Dr. Jayna Joshi was appointed as a coordinator for the whole process this year. In the month of January, 2022, the applications were invited under three categories, Chanakya Awards for Best Teacher Trainee, Chanakya Awards for Best Teacher Educator and Chanakya Awards for Best Teacher Training Institute.

Applications Received:

Name of Category	Applications Received
Chanakya Awards for Best Teacher Trainee	6
Chanakya Awards for Best Teacher Educator	4
Chanakya Awards for Best Teacher Training Institute	1

The applications received under the various categories were primarily scrutinized and then processed under the following stages.

Stage 1: Review of the Applications

A review Committee was formed of three members. The review committee reviewed and provided the weightage to the applicants as per the weightage scheme i.e. for teacher trainee: (out of 200), teacher Educator (out of 500) and teacher training institute (out of 1000).

Under Category 1: Chanakya Awards for Best Teacher Trainee

Out of six applications received, all six applications were recommended for second stage by the committee.

Under Category 2: Chanakya Awards for Best Teacher Educator

Out of four applications, three applications were recommended for second stage by the committee.

Under Category 3: Chanakya Awards for Best Teacher Training Institute

Three applications were received from only one institute, that is from Shri C. H. Shah Maitri Vidyapeeth Mahila College of Education, Surendranagar. One application was not enough for healthy competition. So this application was not recommended for the second stage.

Stage 2 and 3: Selection cum Screening for the Awards

A Selection cum Screening Committee for Chanakya Award of IITE for the Year 2022 was formed of the following three members.

No	Name	Designation
1	Dr. Bhadrayu Vachharajani Vice-Chancellor, Lokbharati University for Rural Innovations, Sanosara-Bhavnagar & Ex. Director, HRDC, Saurastra University, Rajkot	Chairman
2	Dr. Mahendra Chotaliya	Member

	Ex. Professor, Department of Education, Sardar Patel University, Vallabh Vidyanagar	
3	Dr. Nalini Patil Principal, SNDT College of Education, Pune	Member

As per the discussion with the Chairman, coordinator prepared the grade card for both the categories and all the committee members were requested to assign letter grade to the applicants as per their performance. After reviewing the grade sheets of both the categories, the Chairman suggested to arrange interactive sessions for Category-1 and Category-2. As per the instruction and discussion with the chairman, a virtual session of interaction was arranged with the applicants of both the categories on 17th June, 2022. As per the guidelines, the interactive sessions were completed. Committee members unanimously finalized the names for each category. The names of the winners are as follows, which were notified by the Academic Branch on23.06.2022.

Name of Category	Name of the Awardee
Chanakya Awards for Best Teacher Trainee	**Lokesh Ubhiriyani,** B.Ed. Programme, The Bhopal School of Social Sciences, Bhopal, Madhya Pradesh.
Chanakya Awards for Best Teacher Educator	**Dr. Ashutosh Biswal,** **Professor,** Department of Education (CASE), Faculty of Education and Psychology, The Maharaja Sayajirao University of Baroda, Vadodara, Gujarat.

In category 3, only one application was received from Shri C. H. Shah Maitri Vidyapeeth Mahila College of Education, Surendranagar. As only one application was not enough for healthy competitions, committee recommended to offer Shri C. H. Shah Maitri Vidyapeeth Mahila College of Education, Surendranagar a letter of appreciation for the efforts of making application.

These awards consist of a Certificate, a Trophy and a cash prize of Rs. 25,000 for Best Teacher Trainee and Rs. 50,000 for Best Teacher Educator. These awards were conferred during function of 12th Foundation Day of the University.

Chintan Shibir

Date: 30th April 2022 to 1ˢᵗ May 2022   Place: Tent City-II, Ekta Nagar

Indian Institute of Techer Education, Gandhinagar organized a "Chintan Shibir" for all the teachers of the 59 Affiliated Colleges of the University from 30th April 2022 to 1st May 2022 at Statue of unity, Kevadia Colony. During this Shibir, various issues were discussed in different sessions during these two days. The venue was Tent City-2, Ekta Nagar at Kevadiya Colony. This event was organized and coordinated by the Academic Branch of the University.

On the first day of the Shibir, all the teachers arrived at the venue on time and got their registration done. They enjoyed tea and coffee and after that all took their place in the auditorium on time for the inauguration session of the Shibir.

also excellent. It was depicted from the face of the participants that it was indeed a spectacular, memorable and result-oriented Chintan Shibir. It was evident on everyone's faces.

FAR/ PAR Presentation

Introduction

The need of documenting, identifying gaps, and improving the performance of both administrative and academic staff resulted in the introduction of Performance Appraisal Report (PAR) for administrative staffand Faculty Appraisal Report (FAR) for academic staff.

The practice started two years back by simply jotting down what the staff members at IITE do and how they can increase their performance. Later on gradually the practice was institutionalized, by developing the formats for submission and presentation of work done and ensuring implementation of activity in eachquarter. The whole schedule of planning, scheduling, presentation and keeping of records is maintained byestablishment Department.

(A)Performance Appraisal Report for administrative staff of IITE

- Setting up of the schedule for PAR and submitting the required documentPresentation and analysis of objectives of previous quarter

- Setting new objectives for the upcoming quarter in order to fill existing gap and defining the newbenchmarks.

- Alignment of the individual benchmarks with university strategic plan needs specifically with the

- Branch with which the staff is associated as well as aligning with the staff members experience and role in university.

- To identify training needs of the staff.

- Feedback by the experts and communication of the same to the concerned staff by the establishment branch.

(B)Faculty Appraisal Report for academic Faculty of IITE

The format for submitting the details for FAR by the academic staff is prepared in alignment with the UGC format so as to complement the CAS and API index of UGC. The objective include

- Documenting the activities teaching, academic and administrative of teaching staff.

- Presentation and analysis of objectives of previous quarter.

- Setting new objectives for the upcoming quarter in order to fill existing gap and defining the new benchmarks.

- Feedback for improvement in quality of teaching and related activities by regular inpurs to all concerned based on feedback from students and peers.

- Constructive feedback for ensuring progression of research activities as per the requirement of API by the experts of the committee.

- To identify training needs of the staff

Follow up of the gaps for the previous quarter and setting up bench marks for the next quarter.
