

Guidelines for Minor Research Projects (Seed Money)

1. Introduction

The vision of the Centre of Research at IITE is to cultivate and sustain enthusiasm and dedication among research scholars and faculty members. This includes encouraging participation in community-centered research that holds significant social, psychological, and philosophical value. The Centre of Research at IITE provides seed funding to its faculty members to support research in priority areas.

2. Research Area

Research proposals from faculty members in Science, Arts, Commerce, and Education are invited.

3. Duration

The Centre of Research, IITE will fund minor research projects with a budget of up to ₹2.5 lakh for a duration of 12 months.

4. Eligibility

4.1 Permanent faculty members of IITE are eligible to apply for seed money for research. Temporary faculty members may apply as co-principal investigators, provided the principal investigator is a permanent faculty member of IITE.

4.2 The principal investigator and co-investigator must hold a Ph.D. and have a proven track record of high-quality research, as demonstrated by previous studies, publications, and academic background. The Ph.D. requirement for a co-investigator may be waived if they have cleared the NET/SLET examination.

4.3 An individual faculty member may apply for up to two projects simultaneously. However, if both projects are selected, the applicant must choose only one.

5. How to Apply

5.1 Applicants must submit a research proposal in the prescribed format, including all necessary annexures, duly approved by the competent authority.

5.2 Research proposals and final reports must be written in either English or Gujarati.

5.3 Research proposals must be submitted via email to cor@iite.ac.in.

6. Procedure for Awards

Applications are reviewed by a screening committee to ensure eligibility. Eligible applications are then evaluated by an expert committee. Shortlisted applicants will be invited to present and engage in discussions. Following this, the committee will announce the final list of selected candidates.

7. Budget Estimates

7.1 Budget estimates should be prepared according to the prescribed format. Expenditure limits for projects without research personnel will be determined by the Expert Committee and specified in the sanction letter.

Table 1. Heads of Expenditure & Limits

	Heads of Expenditure	Value
1	Research Staff : Full time/Part-time/Hired Services Research Associate, Research Assistant, Field Surveyor	Not exceeding 50% of the total budget.
2	2.1 Fieldwork : Travel/Logistics/Boarding, Survey Preparation or Consultancy etc. 2.2. Equipment and Study material : Computer, Printer, Source Material, Books, Journals, Software, Data etc.	Not exceeding 40% of the total budget.
3	Peer review Publication charges , If applicable	Not exceeding 15% of the total budget.
4	Contingency	Not exceeding 5% of the total budget.
5	Institutional Overheads	5% of the approved budget.

7.2 The Project Investigator may engage project staff on a full-time or part-time basis, provided they remain within the approved financial allocation.

7.3 Reallocation of funds between expenditure heads (excluding publication costs) up to 5-7% requires prior approval from IITE. Any reallocation beyond this limit requires submission of a detailed budget justification.

7.4 Research staff selection must be conducted through an advertisement and a selection committee approved by the competent authority.

7.5 Fieldwork expenses for project personnel must comply with IITE regulations.

7.6 All equipment and books purchased under the project will be the property of IITE.

8. Joining and Release of Grants

8.1 The Project Investigator must join the project within one week of receiving the award letter. They must submit an undertaking and declaration on ₹100 stamp paper, along with the project's commencement date.

8.2 Grants will be released in installments as follows:

- **First Installment (60%):** Released upon completion of joining formalities.
- **Second Installment (20%):** Released upon submission of a satisfactory final draft report and a simple statement of accounts.
- **Final Installment (20%):** Released after expert evaluation and acceptance of the final report, **two research publications** (one should be in a Web of Science or Scopus-indexed journal), and submission of audited accounts.

9. Monitoring of Research Projects

9.1 Periodic progress reports must be submitted in the prescribed format. Projects may be discontinued if research progress is unsatisfactory or IITE rules are violated.

9.2 The Principal Investigator is required to publish a **minimum of two research papers**, with at least one publication preferably in a Web of Science or Scopus-indexed journal, acknowledging IITE's financial support.

9.3 Conference proceedings will not be considered as valid publications.

9.4 IITE reserves the right to audit project accounts and request documentation at any time.

9.5 Mid-term appraisals will be conducted after six months.

9.6 Final reports will be evaluated by an expert appointed by IITE before the final installment is released.

9.7 Unutilized grant funds must be returned to IITE. Failure to utilize funds appropriately or submit audited accounts may result in a penalty with 10% annual interest.

10. Completion of the Study

Upon completion, the Project Investigator must submit:

- Two hard copies of the final, plagiarism-free report.
- Ten copies of the executive summary.
- A soft copy of the report (PDF & Word) on a pen drive.
- Published research papers acknowledging IITE.
- Soft copies of datasets (if applicable) with proper documentation.

IITE requires a similarity index report (below 10%) with the final report.

11. Other Conditions

11.1 The project duration is one year, including report writing. Extensions (up to three months) may be granted under exceptional circumstances without additional funding with the permission of Hon'ble Vice Chancellor only.

11.2 The contingency grant may be used for research-related expenses such as data analysis and fieldwork consultation.

11.3 Additional funding beyond the approved budget will not be considered.

11.4 The Project Investigator is personally responsible for timely completion of the project.

11.5 Project findings cannot be submitted for university degrees, diplomas, or other institutional funding.

11.6 Equipment purchases must comply with IITE rules and be pre-approved.

11.7 Any changes to the research design require prior approval from IITE.

11.8 If the Project Investigator retires, the project may be transferred to a serving faculty member with prior IITE approval.

11.9 The research grant is non-transferable to other institutions.

11.10 Organizing seminars/workshops from the project grant is not permitted.

11.11 IITE reserves the right to reject applications without explanation.
